We were known as the student body of CHS 1985-86, a wide variety of people in our own groups and as individuals. We were leaders and followers then as well as in the future. Classified as seniors, juniors, and sophomores, we strived to make it through our last years of school. We were also divided into other social or peer groups such as cheerleaders, cowboys, hoods, jocks, nerds, preppies, schoolies and categories in between. Despite our differences, we still had similarities --- goals and dreams for the future.

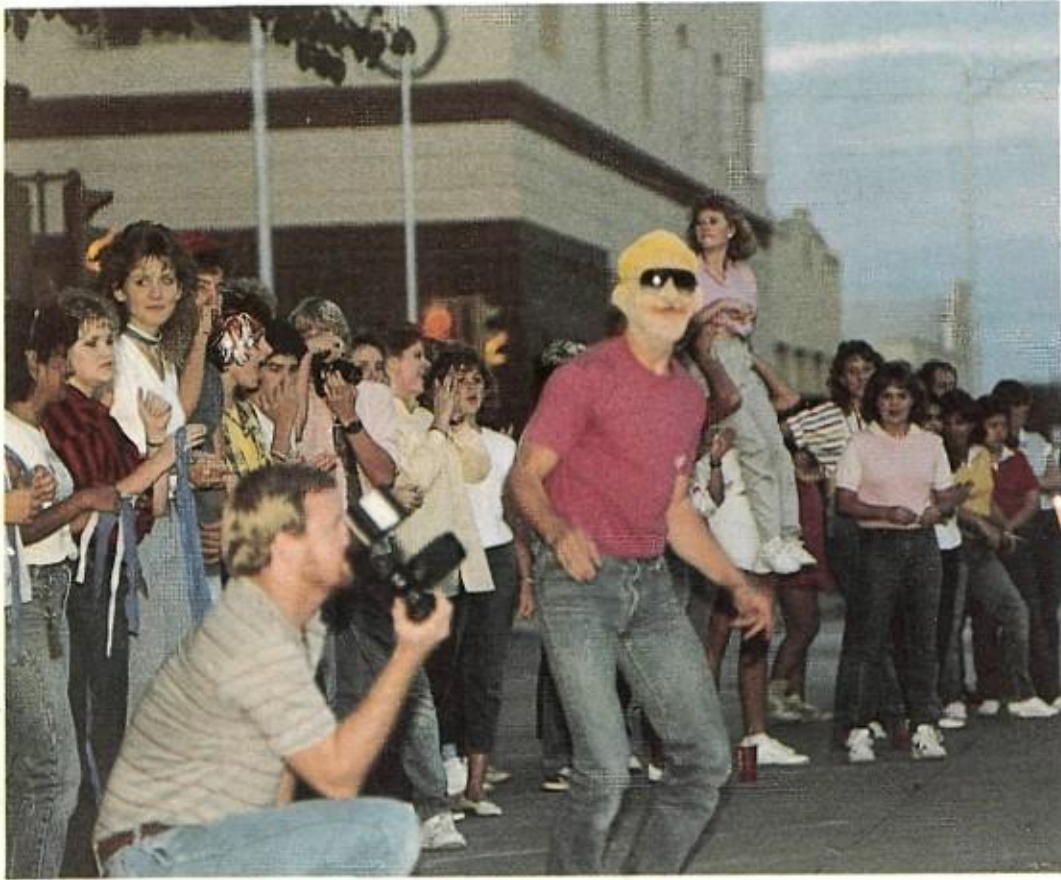

Emotions In Motion

1

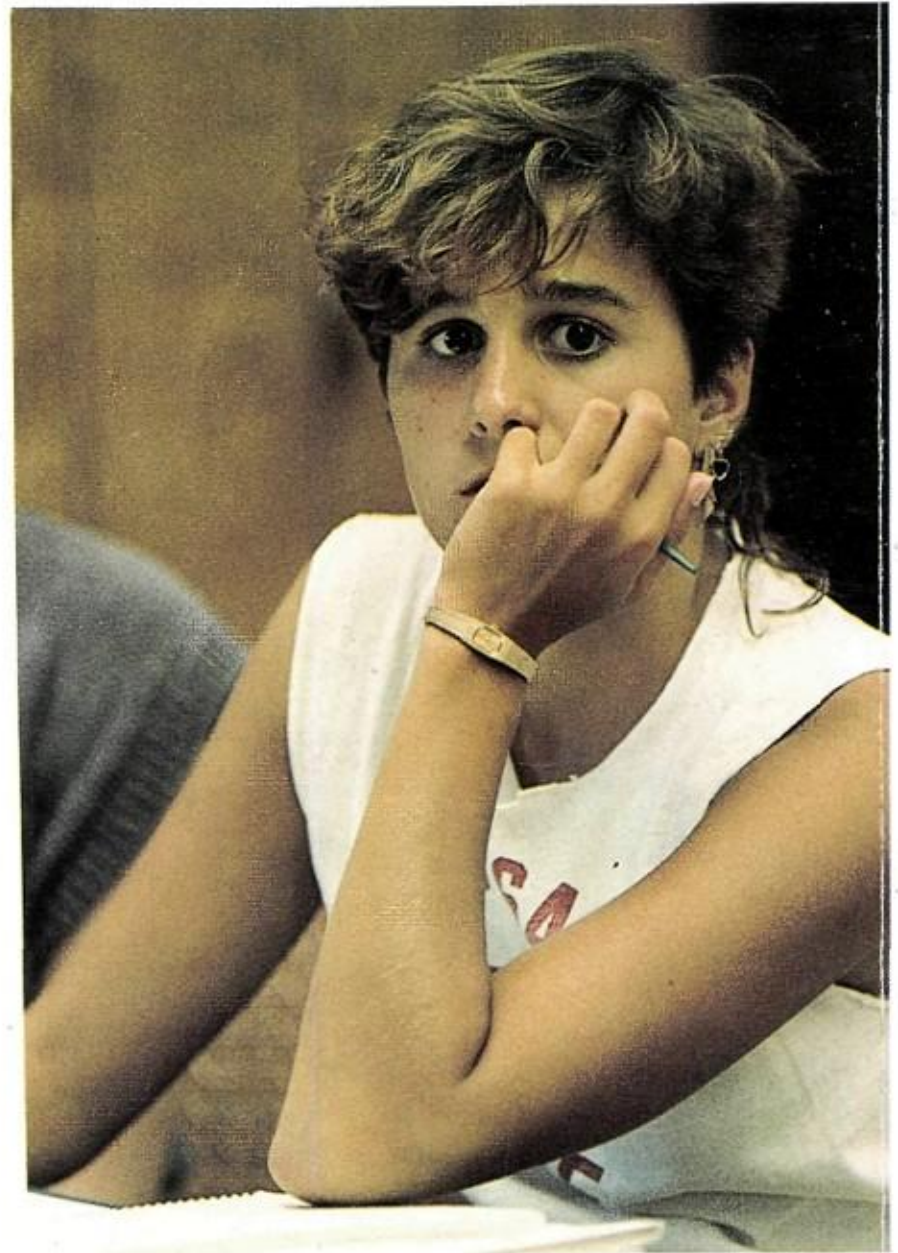

2

3

Drum stunts with Strutt, car caravans, and nighttime pep rallies initiated community spirit for the Cavemen. The fun and laughter we shared each Thursday evening on the way to the courthouse was not at all hindered by the early arrival of homecoming. The students, as well as the athletes at Carlsbad High School, realized that a little boost could go a long way.

Homecoming activities included touring campus on Tourist Day, trying to be extremely intelligent in a silly way on Nerd Day, rescuing damsels in distress on Super Hero Day, "yeehah-ing" and "wahoo-ing" on Western Day, and dressing in our Sunday best on Dress Up Day ... the day Queen Weslyn Neeld and King Tater Trujillo were crowned our homecoming royalty 1985. We were proud to be Americans, and showed this pride as we celebrated Homecoming 1985-86.

Friday Night Football Fights

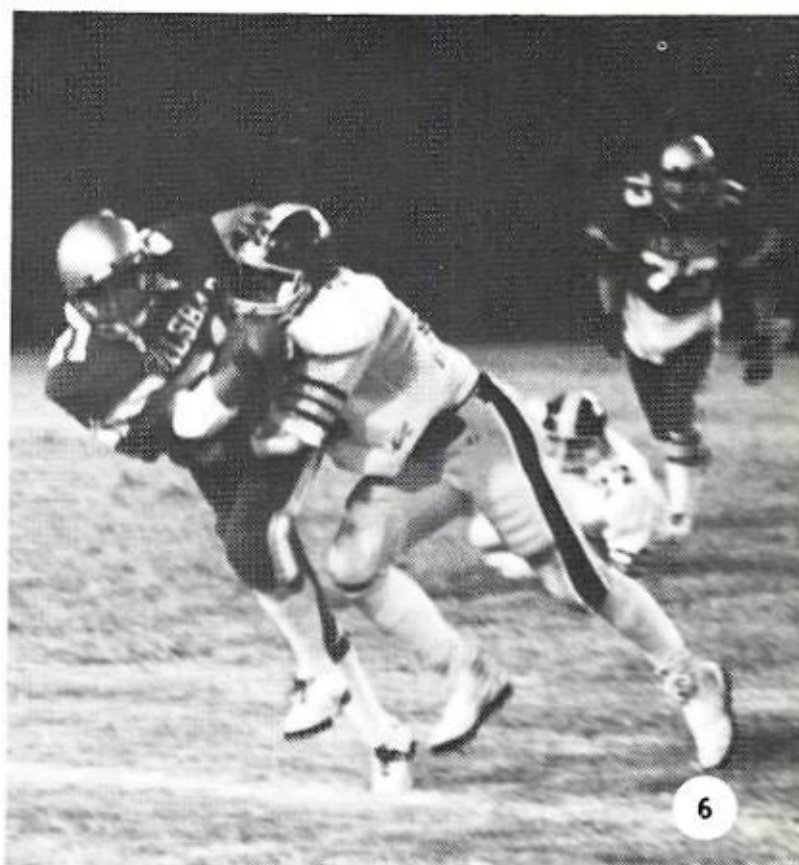

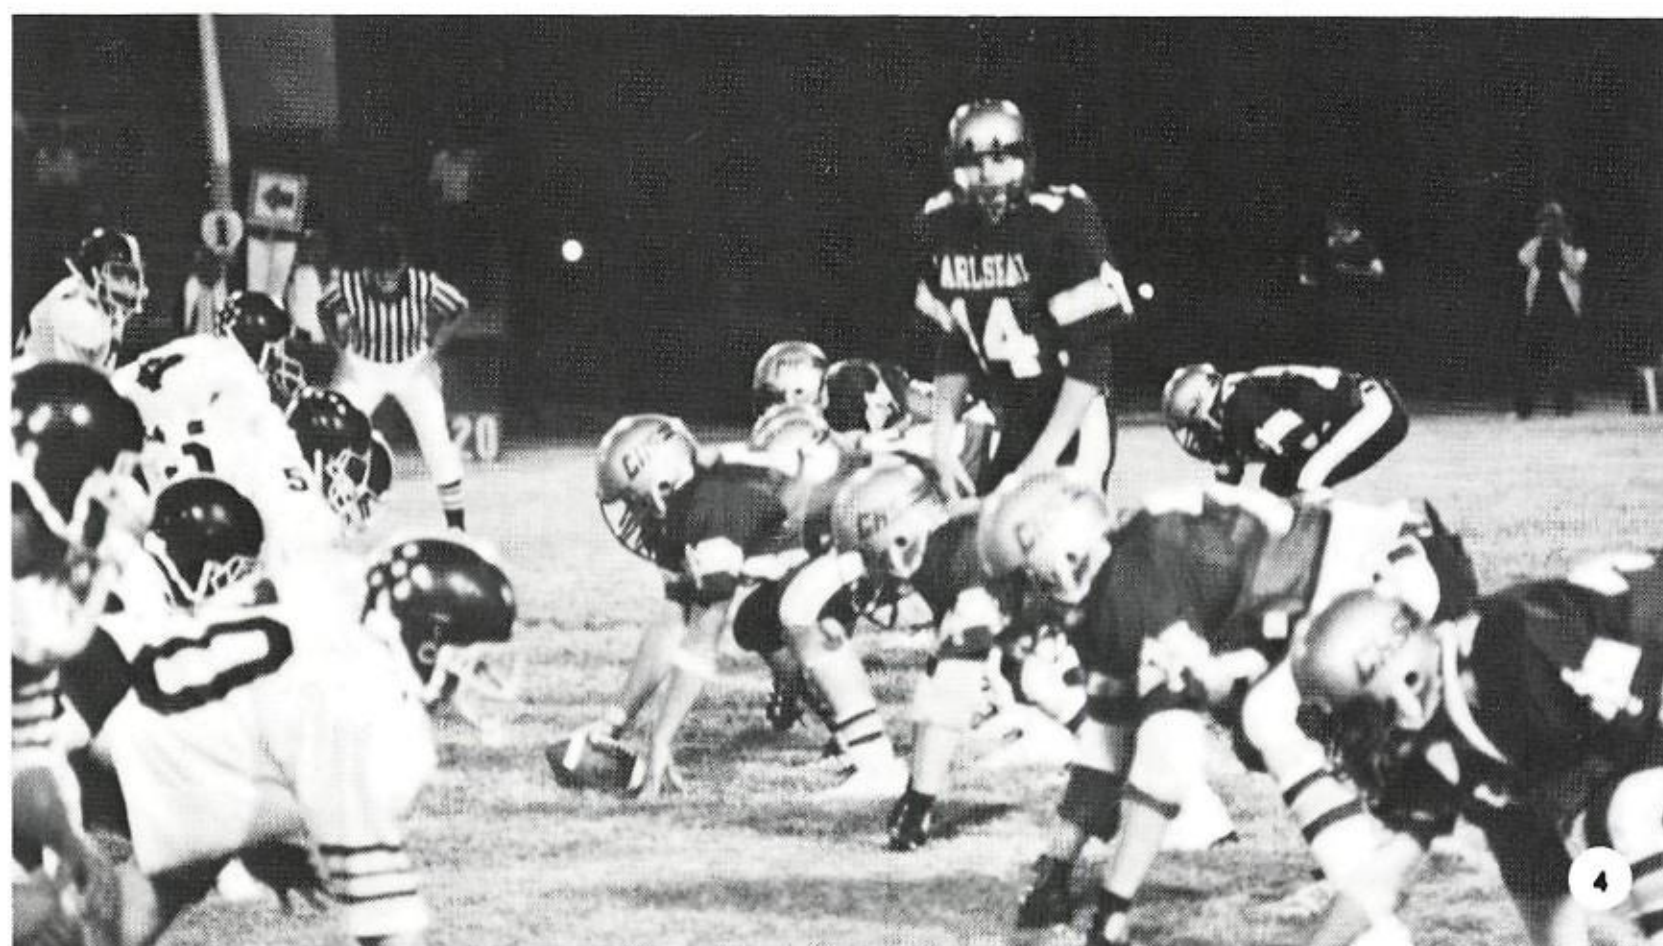

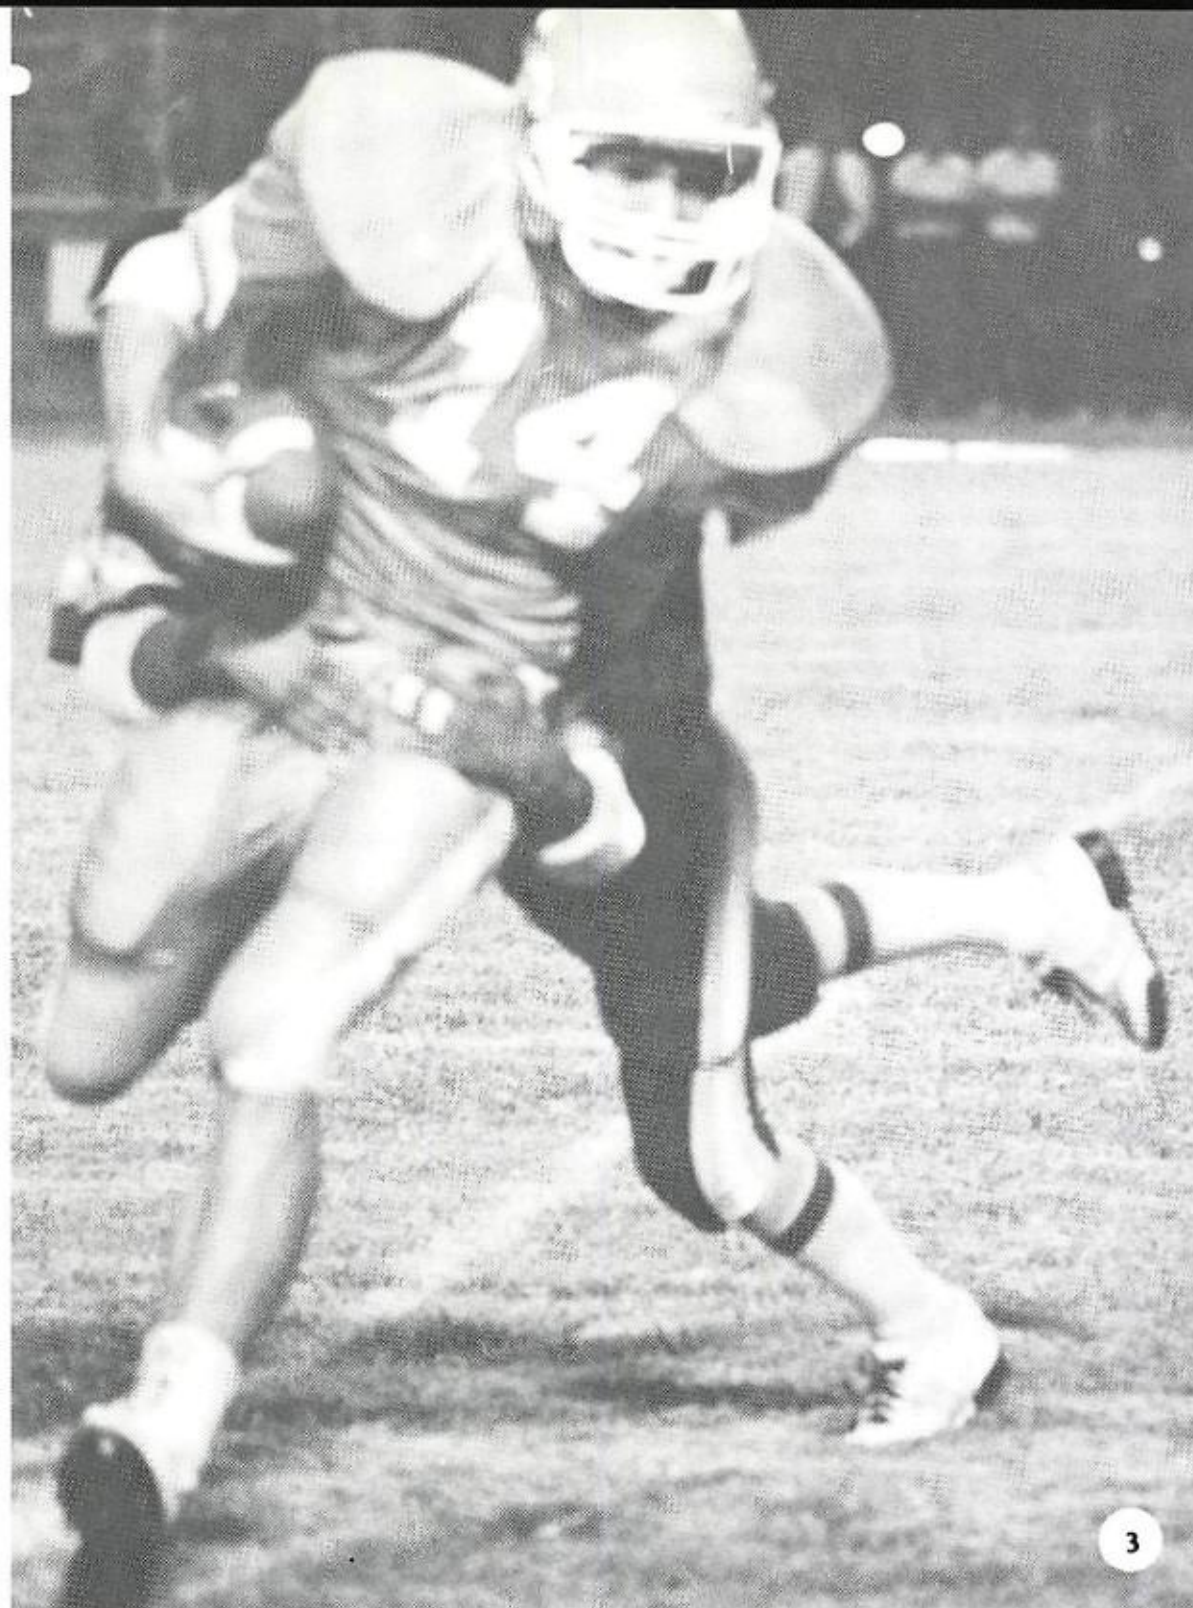

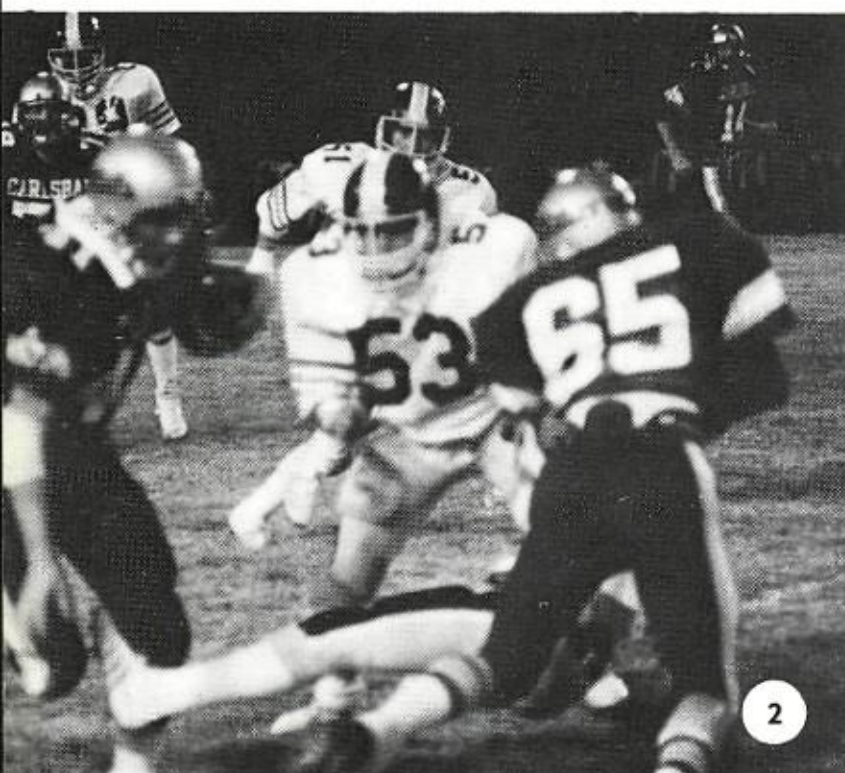

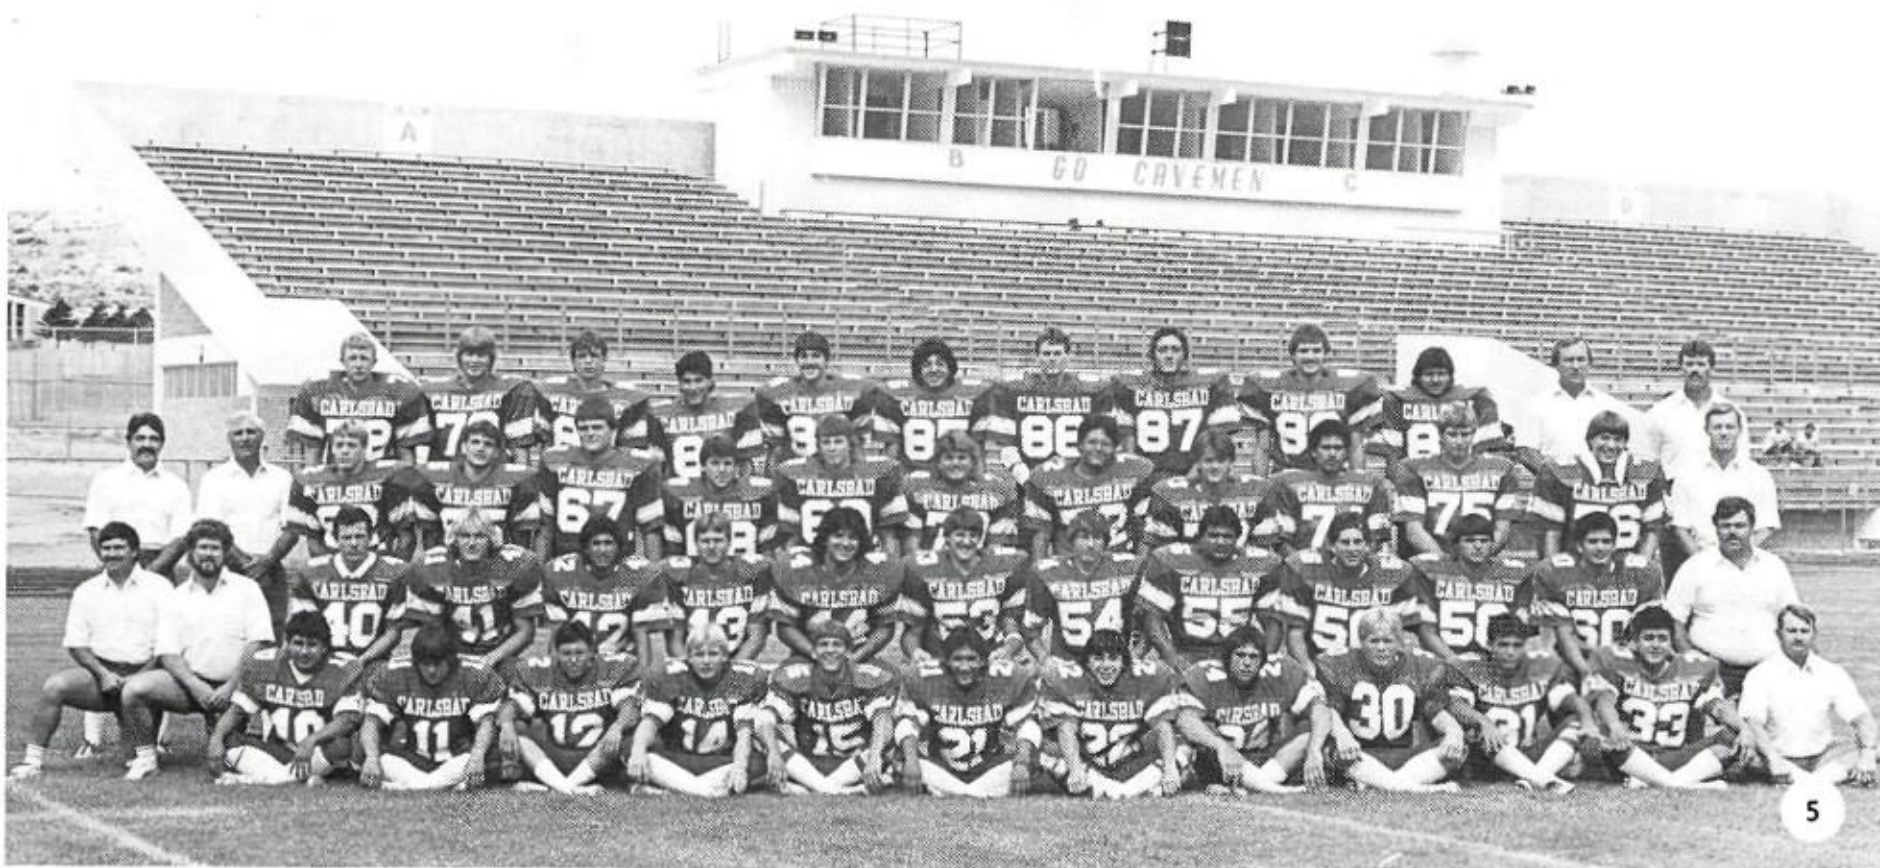

1985 may not have been the most successful year for the Cavemen, nor was it Coach Tommy Gruber's best season. However, 1985 was the year for the two forces to combine. Coach Gruber commented, "Carlsbad is a good football town and a good football school." With that attitude, Gruber and the Cavemen gave it their best shot. The Cavemen went through the most devastating siege of injuries to strike Carlsbad in a good many years. Yet with over fourteen starters out of commission, the Cavemen played their games with a desire to win. What mattered was that the Cavemen made a commitment to go all out with every banged-up body they had to throw into the games. One of the highlights of the year was when the Cavemen scored a 15-14 victory over the Clovis Wildcats which gave the Cavemen a shot at the State playoffs. Hopes were high the next week as the Cavemen traveled to Roswell for their final district game. The Cavemen played a tough game, but the win never came, and the chance for a State championship was cut short.

Put A Little . . .

If spirit and enthusiasm were the key to a successful season, the Cavegirls would be on top. Even though the girls spirits were dampened by earlier losses, they made a spectacular come back when they beat the Eunice Cardinals. This year's new volleyball coach, Roy Herrera, has been rebuilding the program so that CHS can be known as a powerhouse.

A double-header? No, we're not talking about baseball. We're talking about soccer, the newest and most action-packed game in town. Under the coaching of Jim Stokum and Dick Pagano, the Cavemen and Cavegirl soccer teams strived to make up for their disappointing first season. "We are a young team, but we are tough," said Coach Pagano. Because of their inexperience, they were off to a slow start, but if their enthusiasm and willingness to win keep going during practice and games, Cavemen soccer could become a powerhouse sport at CHS.

Carlsbad Sets Pace

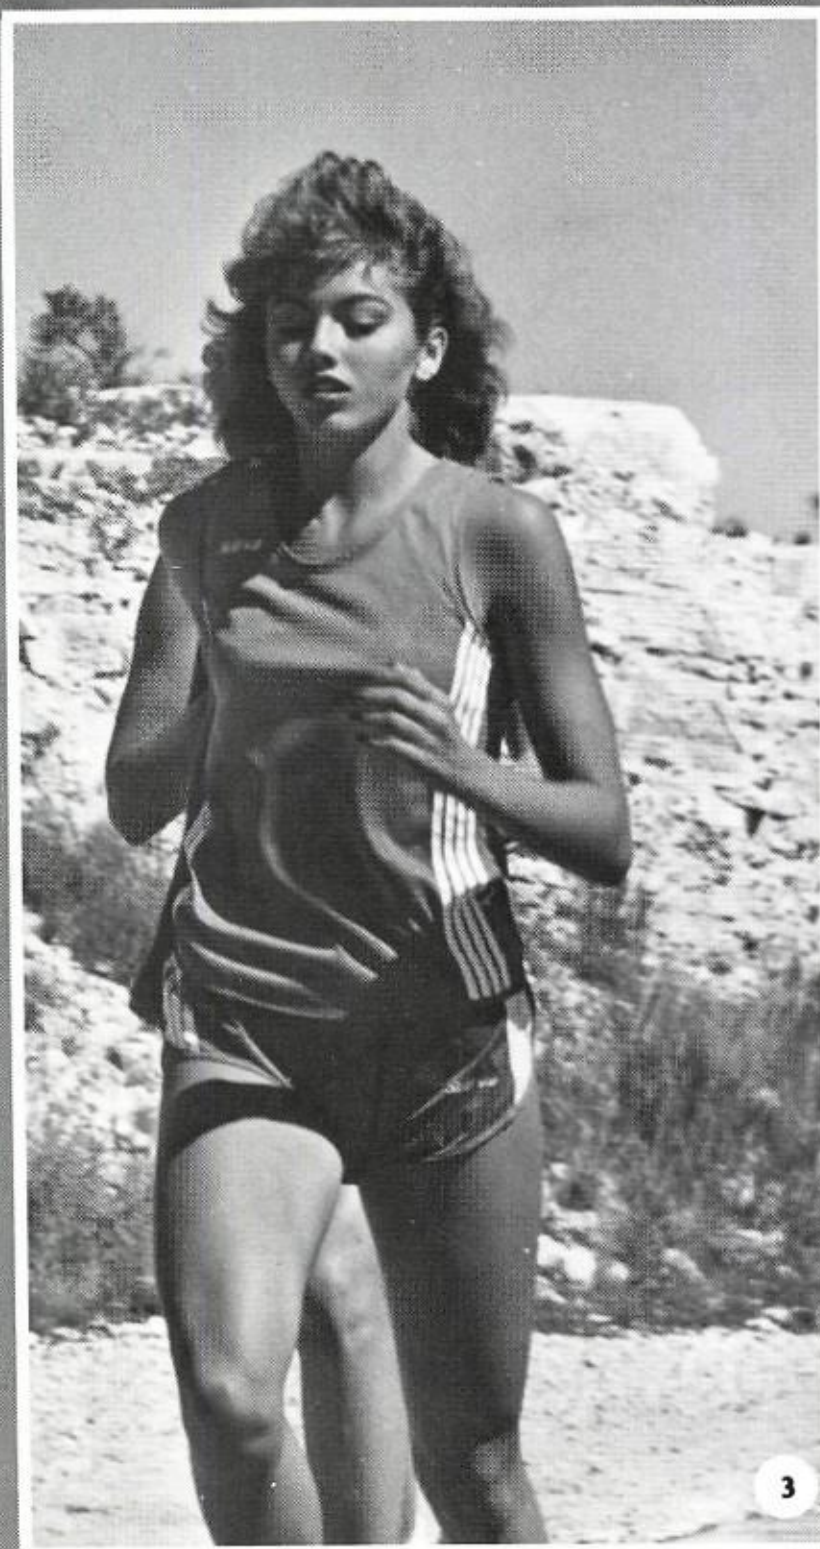

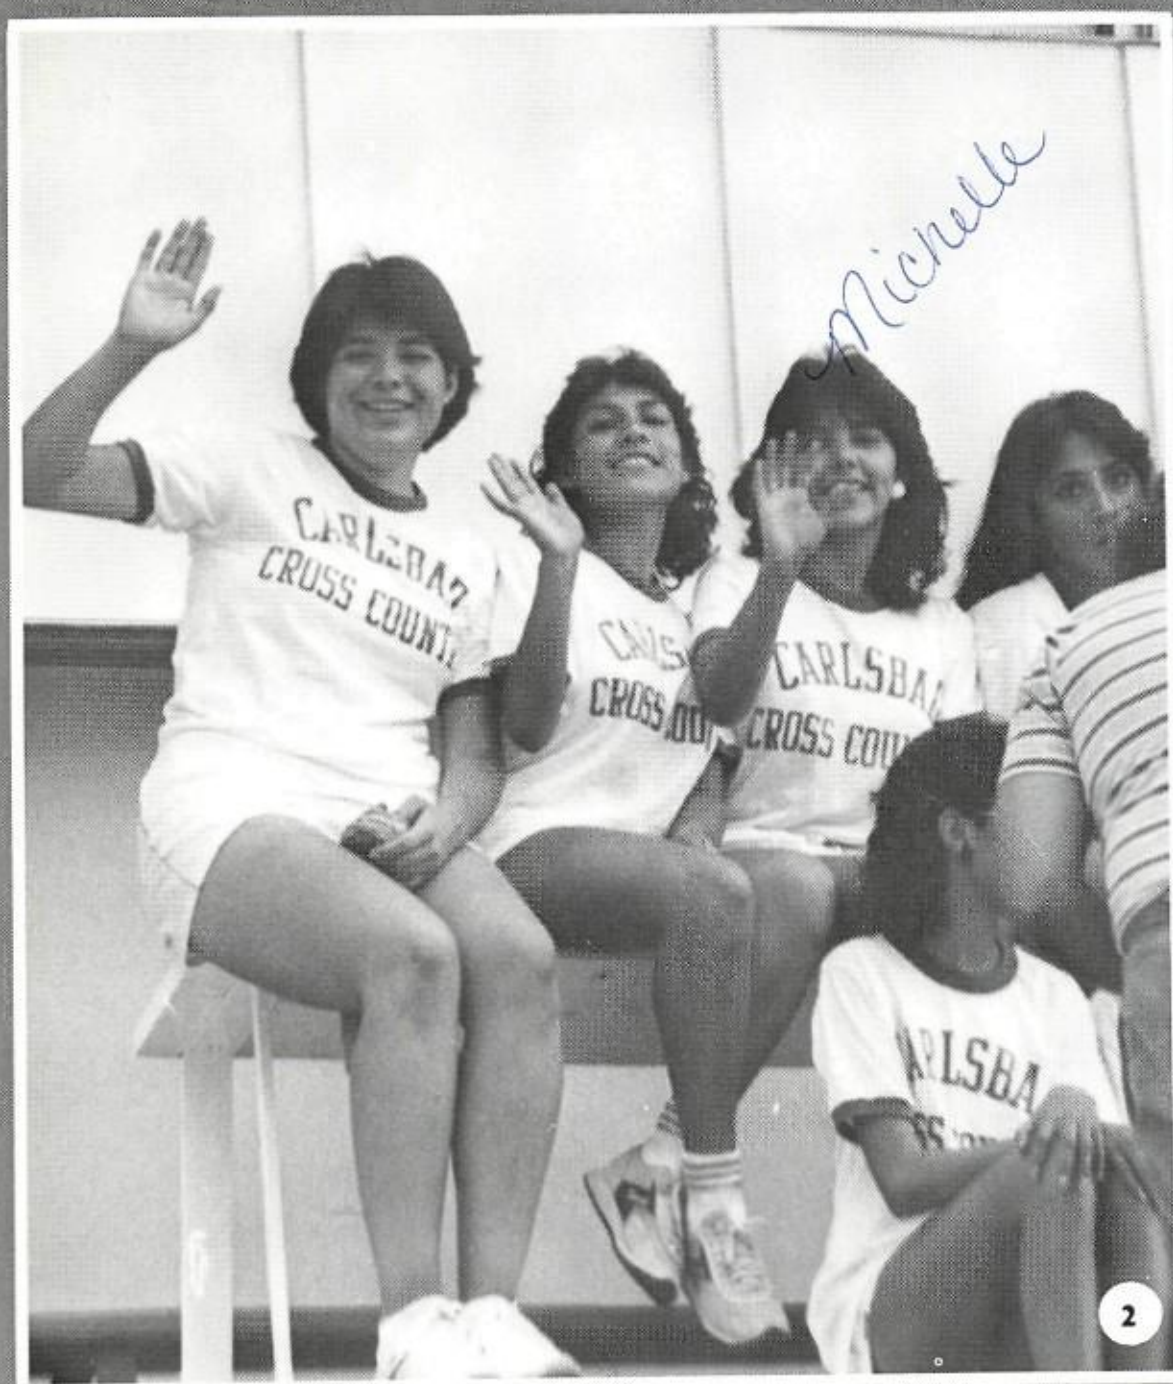

For District Race

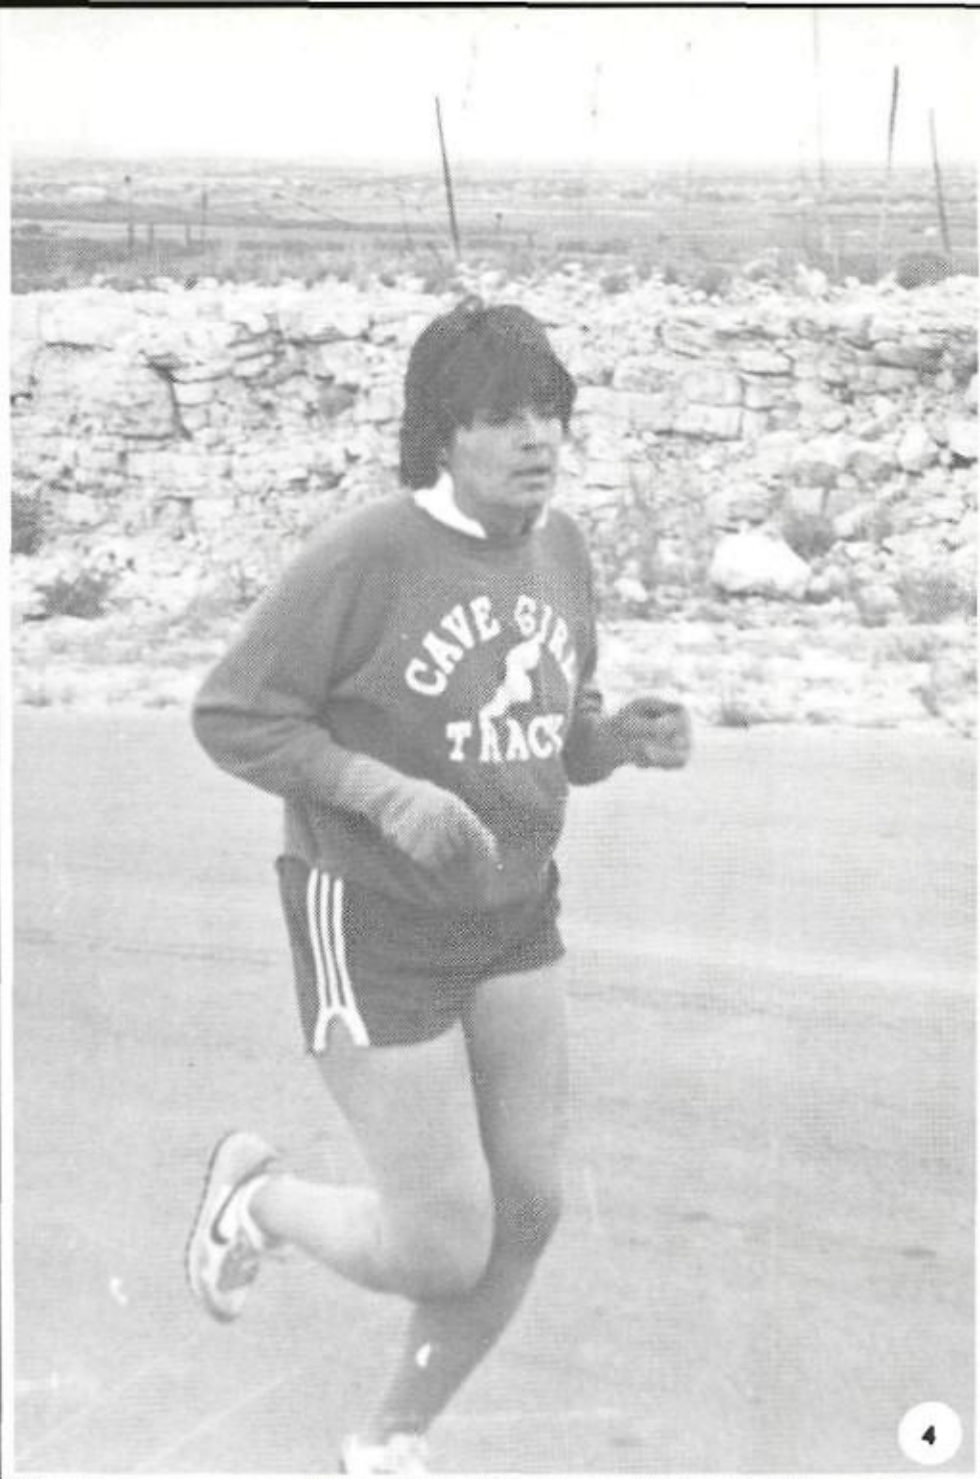

Many long lonely, and agonizing hours were put into being a Cross Country runner. It took determination, strong will power, and a positive attitude to succeed. When miles and miles of unending distance stretched from C-Hill, through Happy Valley to Highway 285 and up 8th Street to the gym, runners said, "Hey, can I do it?" Not only did they cross that finish line, they developed the knowledge that they could push themselves to the limit. Any member of the Cross Country Team would definitely agree that "Running is a Natural High."

This year a new concept was brought to Carlsbad Senior High. A Spring Sports Homecoming was held. A Mr. and Ms. CHS were elected from the senior class along with junior and sophomore favorites. But, what made this assembly so different was the election of outstanding athletes from each spring sport. A special presentation was made to Porky Leyva. He is retiring after 25 years of teaching at CHS. This assembly provided excitement and a sense of unity between the students.

Shoot To Kill!

With aims of turning the Cavegirls Basketball program around, new head coach, Kim Merchant stressed the idea of unity and confidence. These two important concepts developed both good attitudes and a winning record. After winning an important home tournament, the team boosted their spirits to an all time high and realized their hard work and dedication paid off in more than one way. They tasted victory!

Wrestling is definitely the closest contact sport at CHS. Under Coach George Frederick and Assistant Coach Robert Ortiz, these wrestlers worked to maintain their weight and strength. It showed in their performance! Members of the CHS Wrestling team were (98 lbs) Jerry Heiskell, Mike Harris (105 lbs) Mike Hill, Robert Davy, Tan Gutierrez (112 lbs) Alfie Hinojos, Kevin Aragon Jason Litschke (119 lbs) John Hutchins, Adam Johnson (126 lbs) Mike Garcia, Steve Castro (132 lbs) George Herrera, Nathan McGee, Matt Jones, Shawn Goss (138 lbs) Ray Mashaw, Mark Trujillo, Joe Sanders, Jody Jackson (145 lbs) Randy Grimes, Jesse Green (155 lbs) David Strickland, Nick Sanchez, Jim Simenson (167 lbs) Jason McGee, Fred Garcia, Mike Treadaway, Mark Simenson (185 lbs) Ken Smith, Albert Lopez, John Waters, Steve Reynolds, and Heavyweight Eppie Calderon.

CHS Mat Girls

The wrestlerettes were eight dedicated girls who boosted the spirit and moral of the CHS wrestlers. They traveled many trips to foreign schools with sweaty gyms just so they could cheer on our famed mat men. The wrestlerettes did more than enrich the enthusiasm of the wrestling team, they also learned the terminology of the sport. 1985-86 wrestlerettes were: Jackie Balderrama (President), Dee Clark (Vice President), Terri Farrell (Secretary), Gina Morton, Shelby Shugart, Jo Jo Towry, Kristy Schwartz, and Kim Gregg.

Yes We Do!!!

All through the '85-'86 school year, there was an epidemic that overtook CHS. The awesome villain was CAVEMEN FEVER! School spirits were raised and enthusiasm was at a high. But where did it come from? Why, the famed CHS cheering squads, of course! The girls infected the student body with a mania for support of the Cavemen.

Reach For The Exceptional

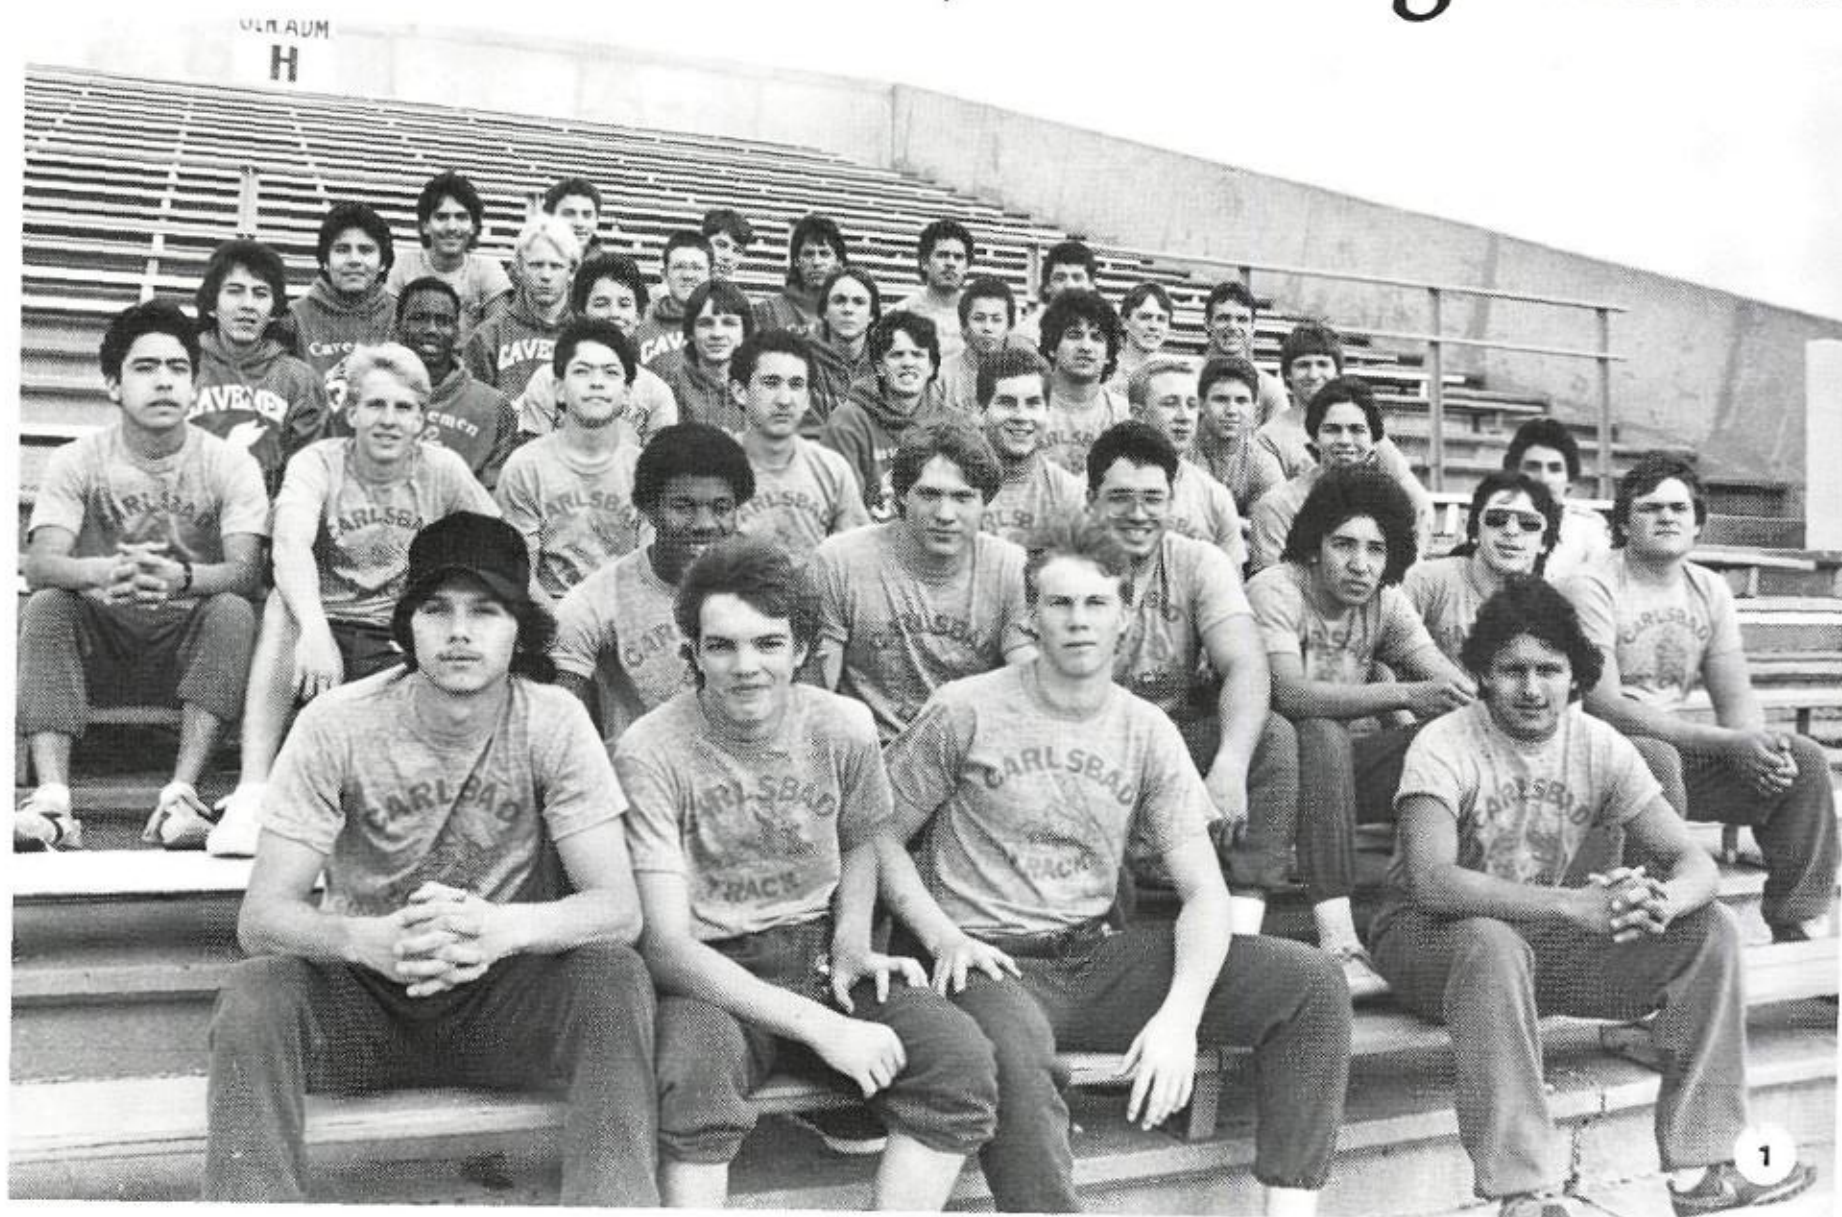

Winners and a winning team became a tradition for the CHS gymnastics team. Headed by coach Ron Woodard, the girls were able to finish fourth in the State meet in 1985 and were hoping to improve that position in 1986. Christy West, who won the State all-around championship and tied for first on the balance beam along with Amy Maddox, who was the State champion on the uneven bars, were two of the outstanding members from 1985.

Cavemen Deliver

The Cavemen started off the '86 season with what it takes to win. Whether rain, sleet, or especially snow, this year's Cavemen team was constantly on the field brushing up their skills. As Coach Whittemore said, "They have what it will take to excell and be #1."

Diamonds Are A Girls' Best Friend

The term, "softball" didn't apply to the Cavegirls this year. They were anything but soft on their opponents. The Cavegirls put in many long hours of practice towards their goal of being State champs. As Coach Tigerte said, "Their record through the past few years speaks for itself."

The Raquet Bracket

All sports require an application of concentration, coordination, and finesse. Very few sports, however, require more concentration and physical endurance than the game of tennis. The Cavemen have applied a fluent knowledge of the tactics involved in this grueling game over the past year. With cunning ability and unmatched accuracy, these young people have achieved victory with excellence.

A Swing In The Right Direction

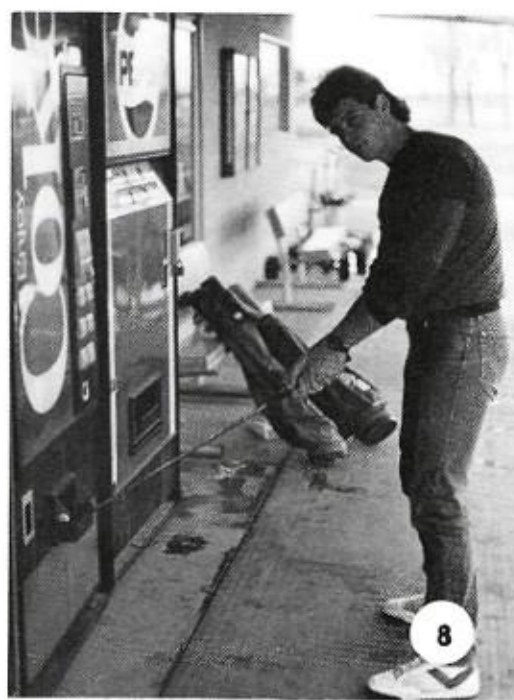

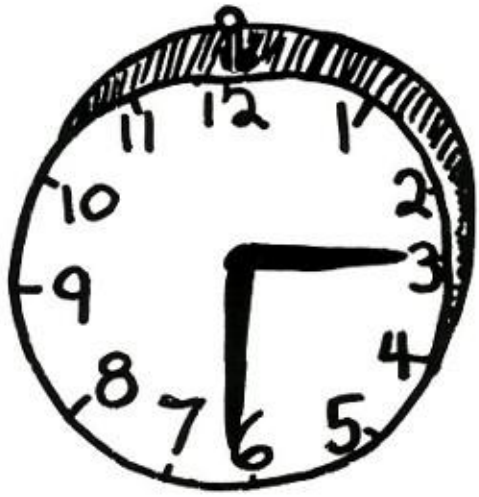

When most people think about the game of golf, they think of caddies, PGA tours, and TONS of prize money. Well, the CHS golfers don't quite have it that way. There are no caddies. They have their own type of tournaments, and they are amateurs. However, like the top-notch pros, the CHS golfers have a tradition of winning. Last year the boys took a well-earned first place in district play. This year, with six seniors and two juniors, they hope to continue with winning tradition. The golf team of the opposite gender did equally as well in the '85 season. The girls placed first in district and captured a strong third in State. With that experience under their belts, they hope to continue their winning ways through the '86 season.

Forerunners

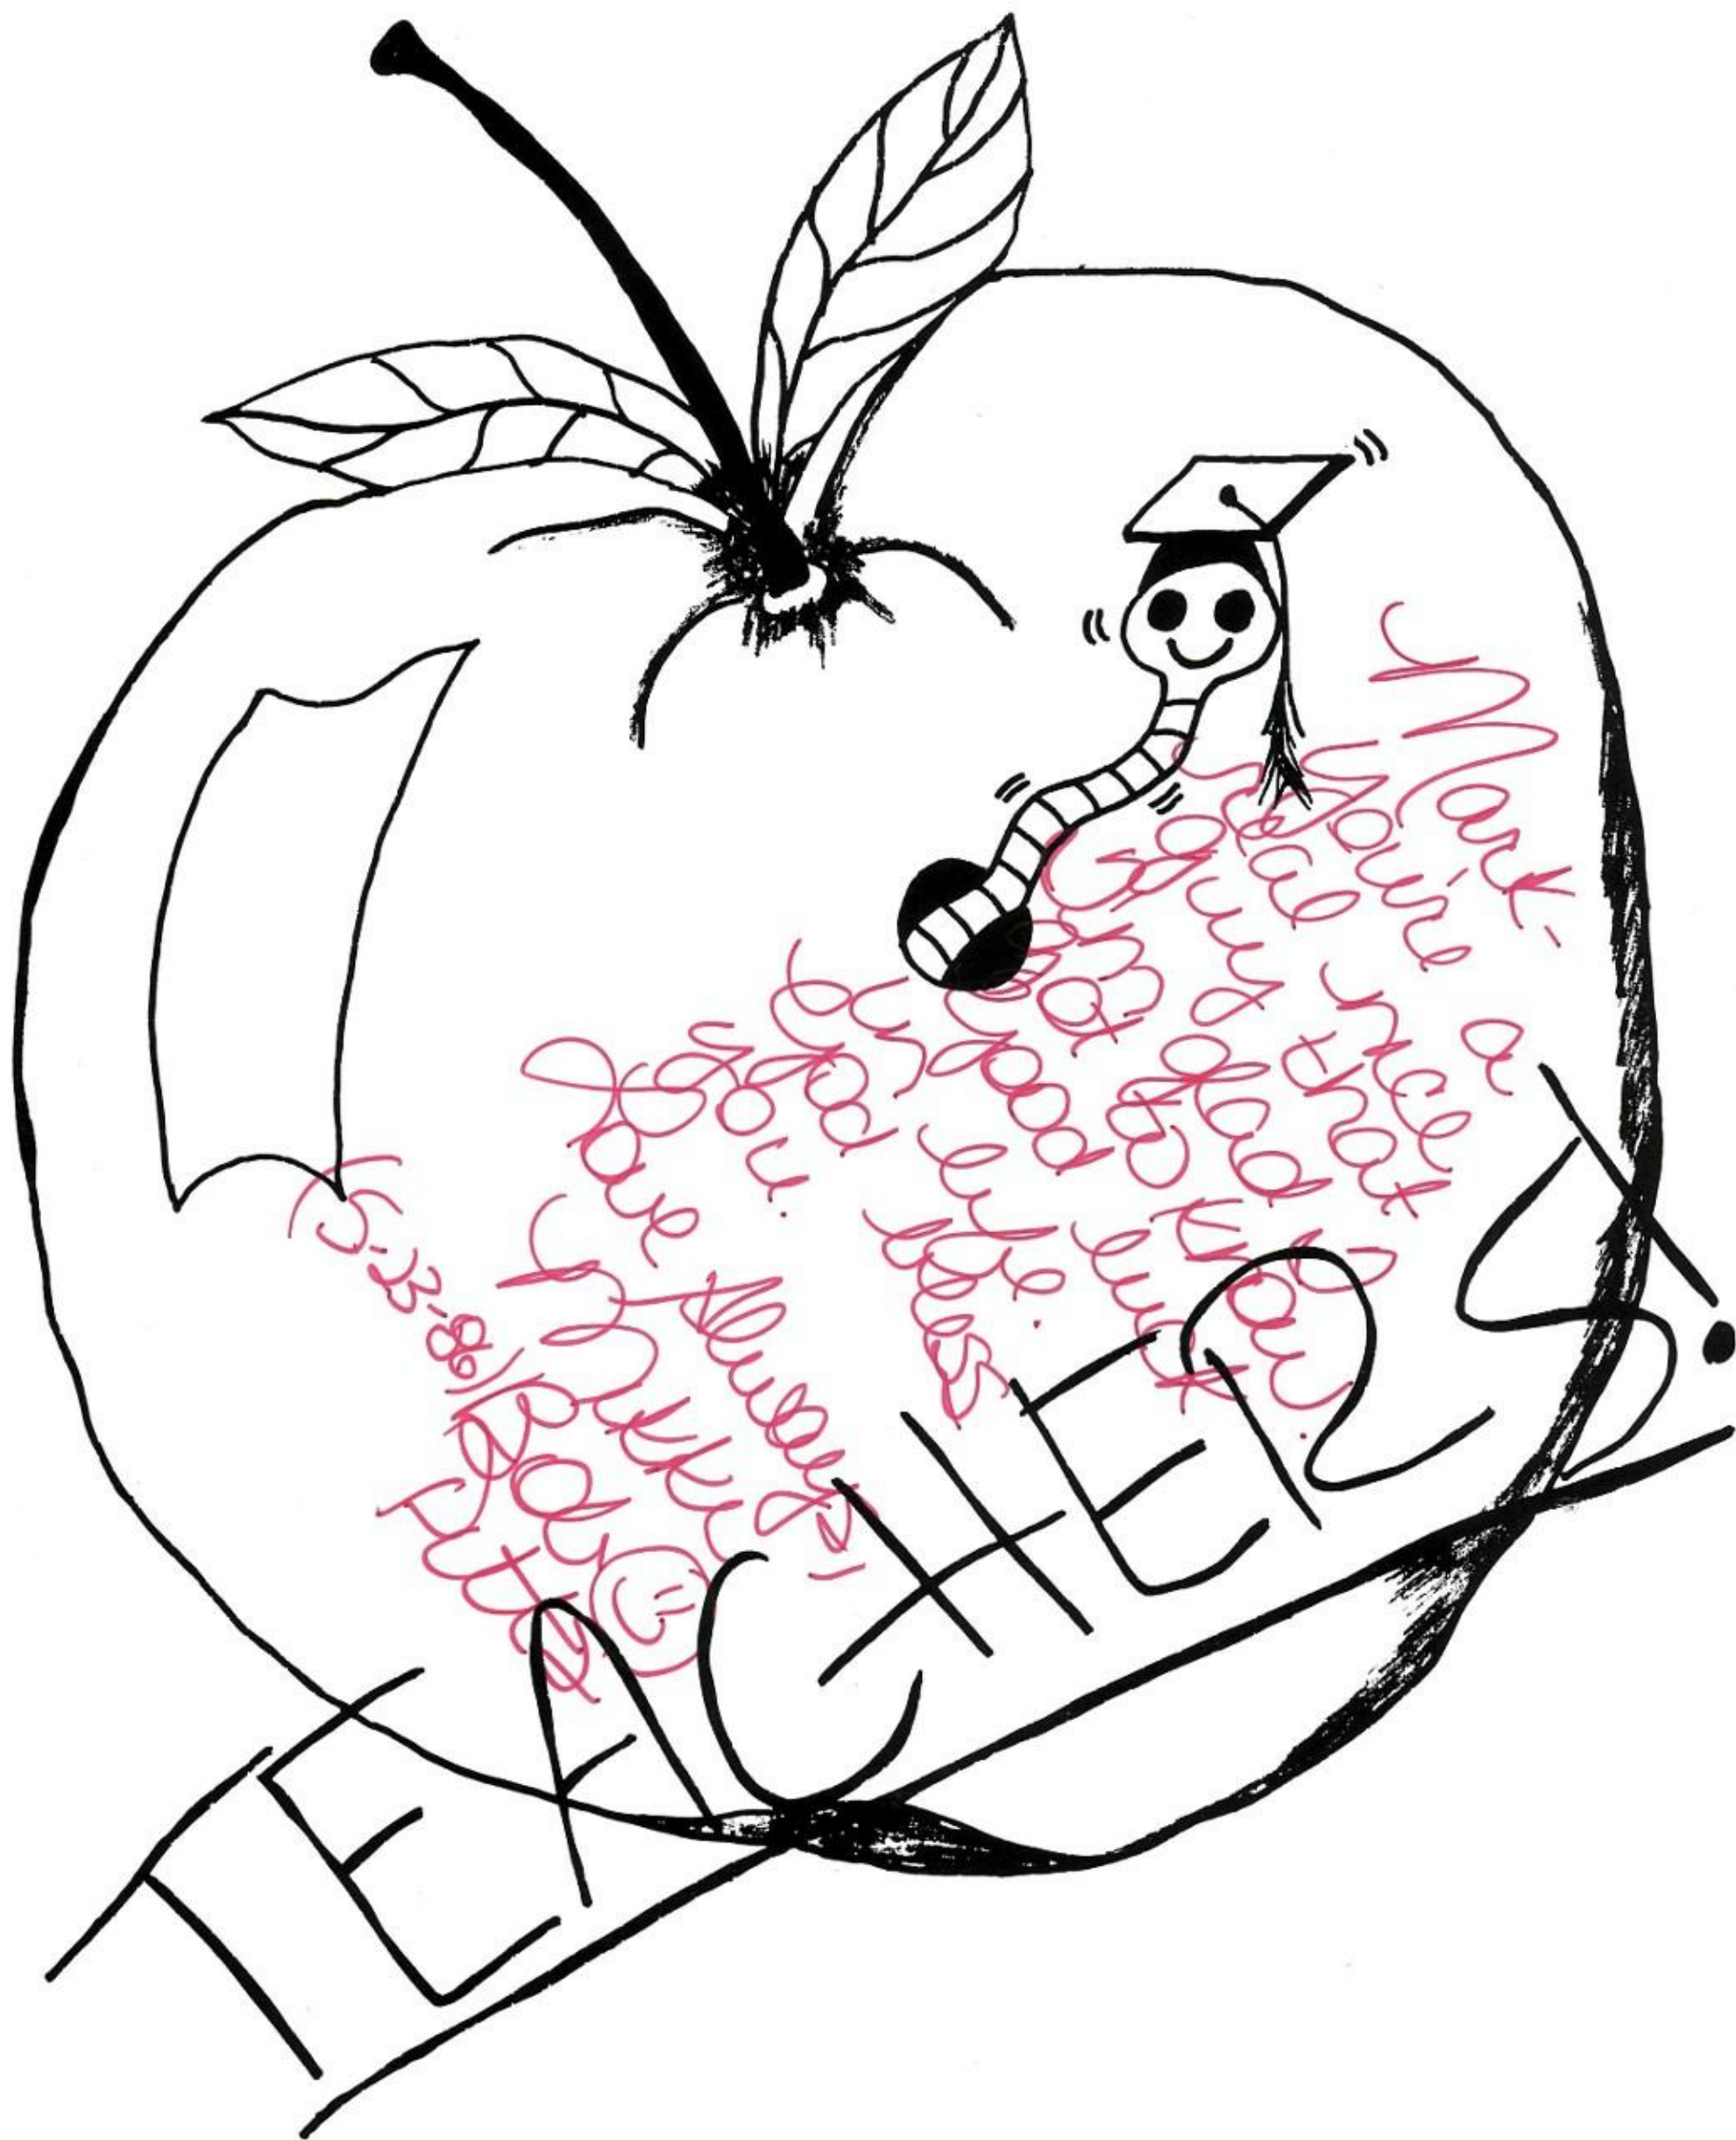

This year the school board bid farewell to Wes Kelley, who was on the board more consecutive years than any other member. His retirement marked the end of six years of service. Frank Bubser was elected to fill the vacancy. Our principals and deans at Carlsbad High School maintain the standards set by the Board of Education. We are able to carry out our duties as students only through their desire to strive toward excellence in education.

Pulling the school together, this dedicated multitude shared with us their years of hard work and study. In a system of rules, regulations, and frequent indifference, there were people who truly cared. Teachers gave us their knowledge. Counselors arranged and re-arranged our schedules to meet our personal needs. Deans stood with their paddles ready for that powerful swing. Aides and secretaries worked their fingers to the bone. Security officers hid out in buildings with their binoculars. Principals set out school principles. Nurses tended to our various aches and pains. And the school board legislated over the whole system. Without these people, we would truly be nothing.

To Complete School — To Fulfill A Future

The craft campus gave girls with special needs a chance to continue their education. In addition to a "regular" high school program of instruction, they concentrated on classes such as typing, computers, home economics, and others that would enable them to find jobs once out of school.

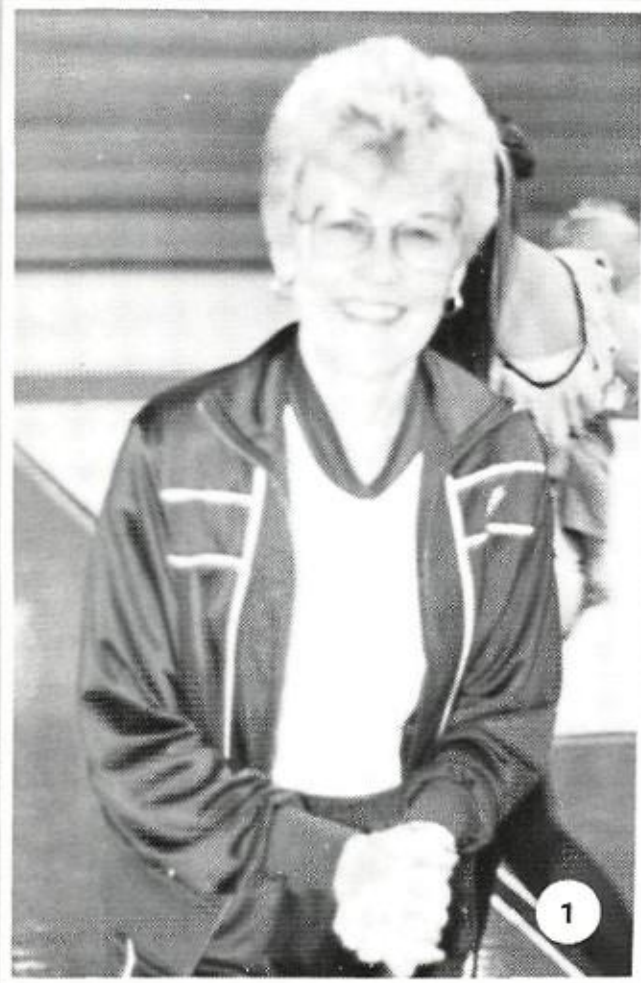

Students at Craft Campus included the following: Dena Rodriguez, Lisa Brake, Melissa Capps, Sena Patterson, Lisa Guye, Pat Hernandez, Yolanda Quintela, Rosalinda Sotelo, Denise Biscaino, Lydia Garcia, Kim Haupt, Dorie Hinojos, Stephanie Quintela, Frances McClain, Angela Amalla, Amy Barrett, Sally Castillo, JoAnn Esquibel, Katrina Hanna, Alice Hernandez, Melonie James, Joanna Kinaman, Tracy Meyer, Yvonne Najera, Yvonne Pineda, Cruz Rodriguez, Rachel Rodriguez, Lisa Sanchez, Annette Whiteaker, Rosie Hernandez, Cynthia Ward. Today The School

Tomorrow The Nation

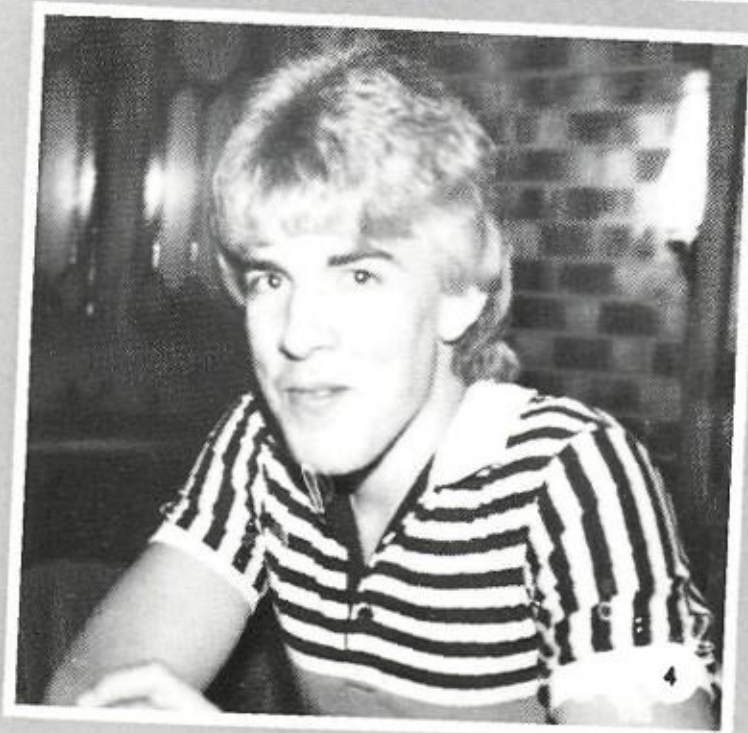

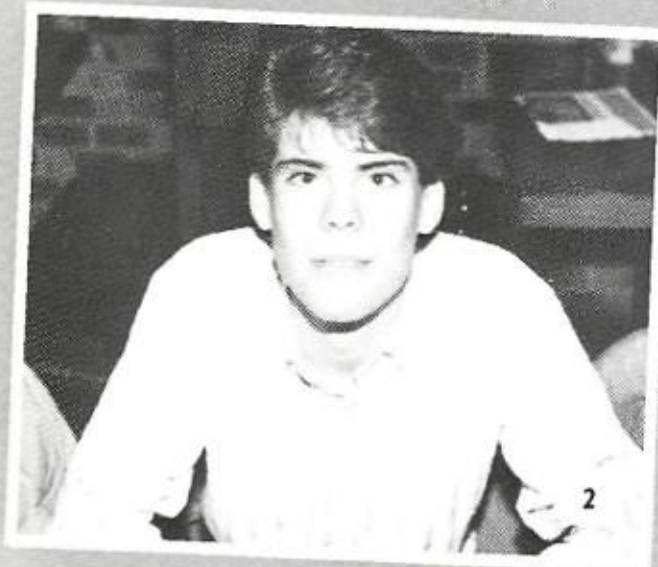

Government of the people, for the people, and by the people. That was the goal for this year's Student Council. They started off a great year by planning homecoming week. Bat races, milking contests, and the three legged race were just a few of the activities planned. But the Student Council didn't stop there. Parking stickers, dances, and the organization of assemblies were just a few of the other activities sponsored by Student Council. Students and their welfare was the primary concern of this year's Student Council. As a result, student spirit was never higher.

Quite An "Honor"-ous Clan

Despite Webster's definition of "onerous" as being loathesome or burdensome, this amalgamation of brains, beauty, and charm prove National Honor Society to be the perfect antithesis to Webster's word. Good character, leadership, and grade point averages are all determining factors in being a part of this elite club. Without total determination to maintain membership, however, it is also an easy group to get out of!

London Calling International

One major purpose of the CHS International Club was to act as a school liaison between the exchange students and the high school student body. They were here both to serve the exchange students in meeting all kinds of people and to help them in reaching out into the community. International Club hosted all of the AFS and Rotary foreign exchange students in Carlsbad for a weekend in the spring which was the only opportunity that both Rotary and AFS'ers were together during their year abroad. Between 35 and 40 young people came in April.

The Language Of Love

Le cercle de francais '85-86 was the largest in three years. There was a lot of interest in le bon chic, bon gens group. Members enjoyed many activities throughout the year. They began the year by entering in the homecoming parade. They joined the Latin Club for a Halloween party, learned foreign body expressions at their Valentine party, attended the French Convention in the spring, and finished off with an end-of-the-year picnic. Many slide show presentations of Madame La Clair's, the club's sponsor's, trip to France were shown. Officers were President Stephanie Erickson, Vice-President Chris Gunning, Secretary Veronica Durado, Treasurer Matthew Jones, and Historian David Welch.

Latin is one of the three languages on campus. It is made of students who are in Latin and wish to be part of the program. But Latin Club isn't all about Latin. During the year they host a Halloween party and attend conventions. So, if you are tired of the same old language, join Latin Club.

Inter-Acting With The Community

In our fair high school there existed a club full of exuberant, eager students. These members were *always* willing to assist our community in such ways as raking leaves, providing a day of companionship for the elderly, and carving Jack-O-Lanterns for Halloween. A club like this could only have been a division of Rotary, and it certainly wouldn't have been the same without the sponsor, Ron Galbraith. All of these attributes made Interact the club to beat during 85-86.

The United Staters

Each year a special group of juniors are selected to represent Carlsbad at Girls and Boys State. Citizenship, leadership, and interests in government are major factors in the decision of who will be chosen. Ten boys and six girls from our high school attend this special event. As part of their learning process, they form cities, counties, and states. Officials are named and each person plays his role in community and government affairs. They are given a chance to make friends, meet many new people, work hard, and above all enjoy it!

Parade Rest

Have you ever wanted to be part of a 21 gun salute or have your friends salute you and call you, "Sir"? If so, you should have been part of the Junior Reserve Officers Training Corps, ROTC. ROTC was not just for fun. Although you learned how to shoot rifles and wear class A uniforms, you also learned to obey military rules and regulations. If you were planning on entering the armed forces, then the ROTC was the course for you.

We at CHS think our band and color guard are number one! The judges at contest in Artesia on October 26th seemed to agree and rated our group with the highest possible score. The Denver Broncos thought the Cavemen Band was something special, too. They sent an invitation to play at their opening game in August which, of course, was gladly accepted. Other activities during the year included All-State and All-District tryouts, marching in the Veterans Day and Alfalfafest parades, and as always, those pep rallies and half-time shows. Time and time again Mr. Henry and his talented students proved they were number one!

Concert Club

As always, the Troubadors was an exceptional group. They sang in concerts, participated in contests, and took their talents to Orlando, Florida for the Heritage Music Festival. CHS took more students to All-State in January than any other city in the state. 1985-86 Troubadors include G. Brashear, J. Burnett, J. Harrell, J. Jenkins, R. Lawson, D. Moore, S. Tackett, T.J. Cooper, K. Davis, D. Easley, K. Edens, K. Garner, A. Gonzalez, L. Gregory, K. Hair, L. Hartman, D. Madison, B. Marrs, C. McGee, K. Oakley, R. Prather, J. Simon, L. Sisk, L. Skidmore, J. Tipton, T. Just A Swingin'

"With voices of angels" — This might well be said of the Swing Choir, whose choreographed renditions of the latest in pop music made "heavenly" listening at their various performances during the year. Swing choir members are Ross Lawson, Keith Hair, Johnny Simon, Alex Gonzales, Brian Marrs, Robert Barben, Jennifer Burnett, Brenda Brooks, Jill Harrell, Joy Jenkins, Lisa Salcido, Leslie Sisk, and Kelly Davis.

Rapunzel

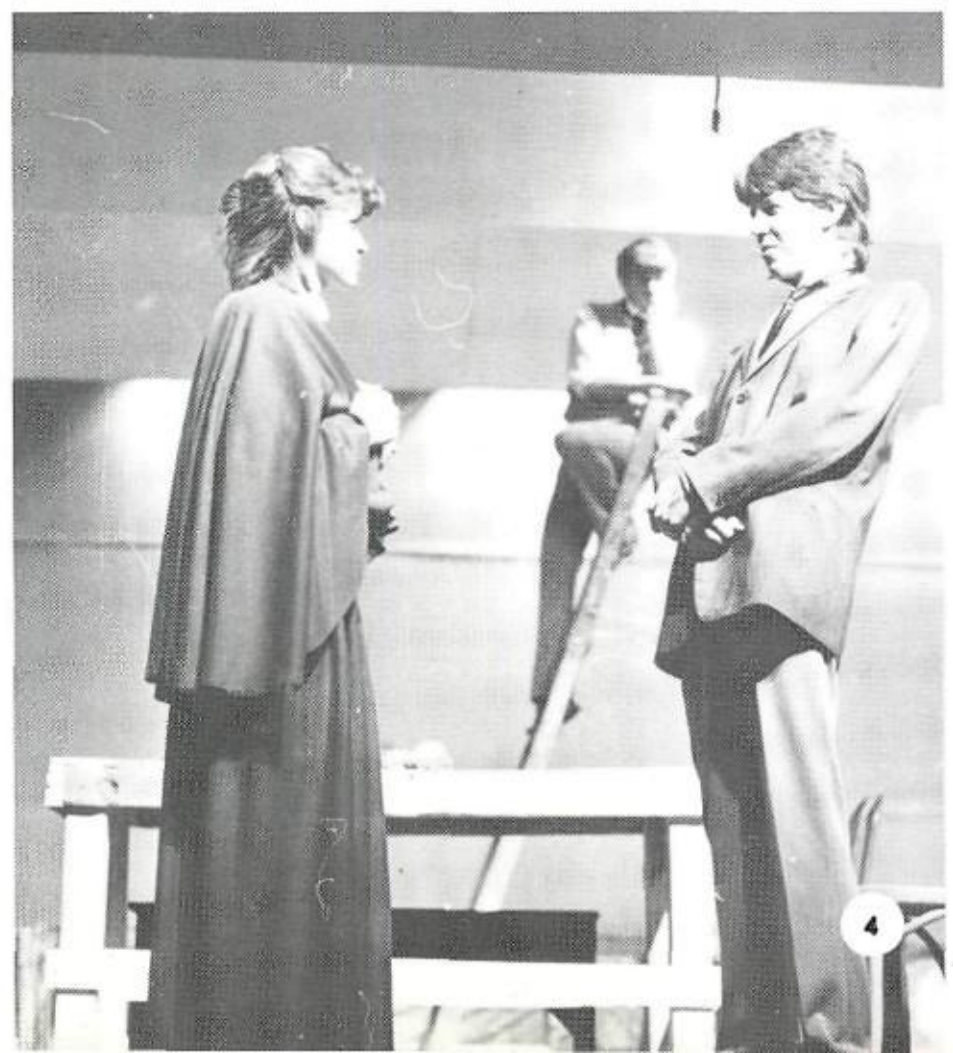

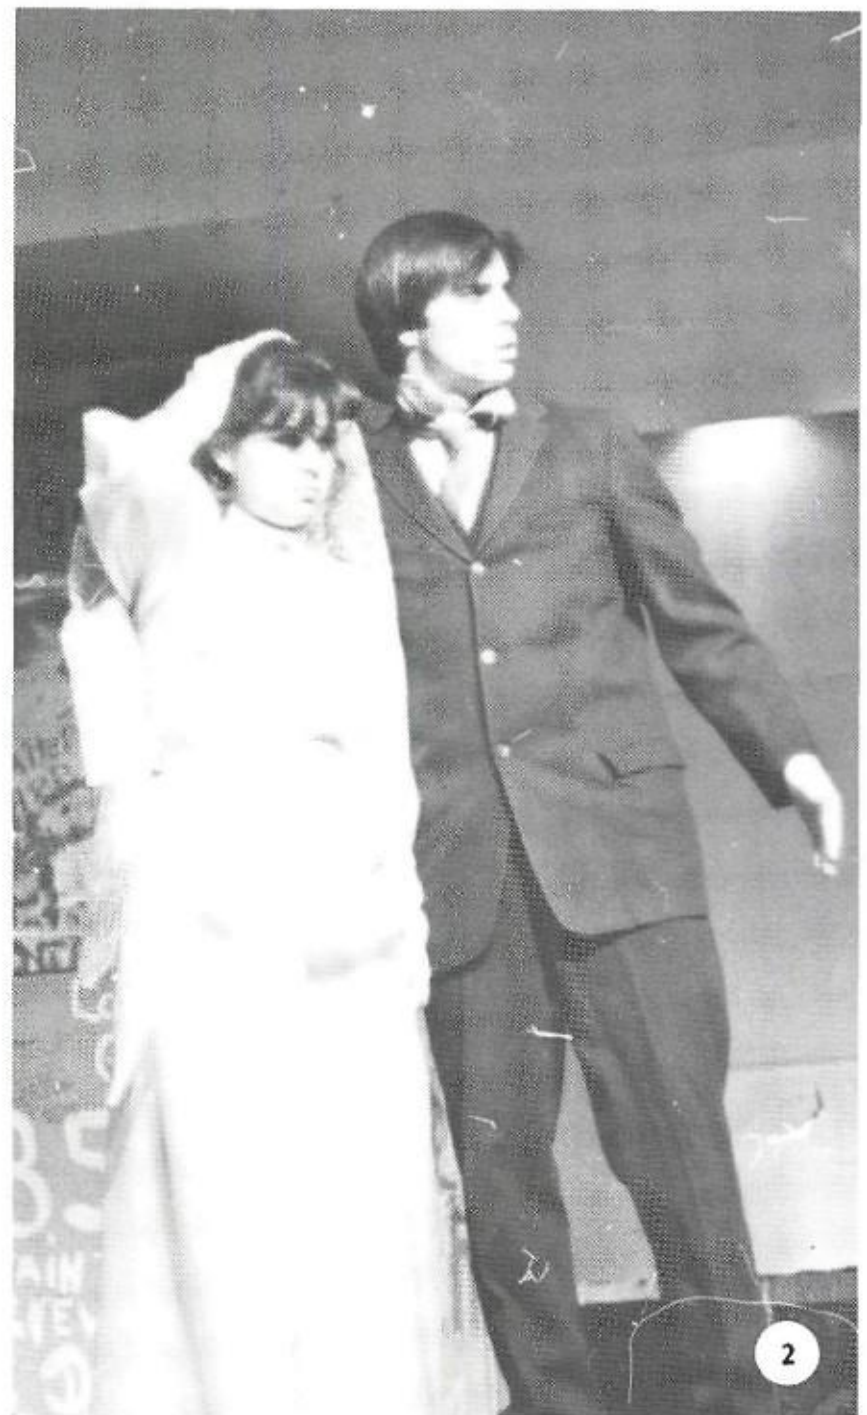

The Carlsbad High School Mummers was primarily an extra-curricular organization designed to produce the high school plays and provide light crews and backstage assistance for various school and community groups as a public service. The group was open to any student enrolled at the high school; enrollment in theatre arts classes was not required. The Mummers annually produced a children's play, a full-length adult production, three one-act plays presented both at home and at the Eastern New Mexico University's High School Play Festival in Portales, and the all-school talent contest, "One Last Fling."

We Are The Echo

Deadlines, pressures, and indigestion from the pizzas we downed on the long work nights were some of the dilemmas we faced while putting together this masterpiece. While the staff members were busily constructing their layouts and dreaming up copy, our lovely advisor, Sally Covington, would slyly hint to us that the deadline was coming soon. Somehow she was always right, and everyone would be in a hectic rush not to miss the deadline. Even though it seemed impossible, what with a lunatic staff and photographers snapping those questionable pictures, we were able to produce the number one book on campus - the mighty ECHO.

(1) It's those "studdly" staff members (row 1) Donia Dunlap, Stacy Sieberg (row 2) Lisa Skidmore, David Guck, Colin Grimes, Eric Kapinos, Royden Chase Booth, III (row 3) Dee Ann Ricker, Yvette Acosta, Paul Gibson, Darena Sikes. (2) What's wrong Donia? Did you just catch the joke? (3) Sophomores are always such hams. (4) Chris Beidel checks out some negatives while the staff works on their layouts. (5) Way to go, Officer Gunning. Cuff 'em and stuff 'em. (6) Up to their usual hijinks, the photographers David Welch, Garry Bales, Curtis Devers and Chris Gunning vandalize and Eddy County Sheriff's car. (7) What does "Aunt Sally" see? Could it be one of those nasty deadlines coming around the corner?

Wow! Pow Wow!

What's going on? Who are the new teachers this year? If you don't know the answer to these questions you obviously haven't gotten a Pow Wow, the CHS newspaper, published once a month by Mr. Grimes journalism class. Each month the Pow Wow features editorials, coming events, honor students, club happenings, sports, movie and song reviews, puzzles, games, and other items of interest at the high school. The people who have it together are the people with the Pow Wow!

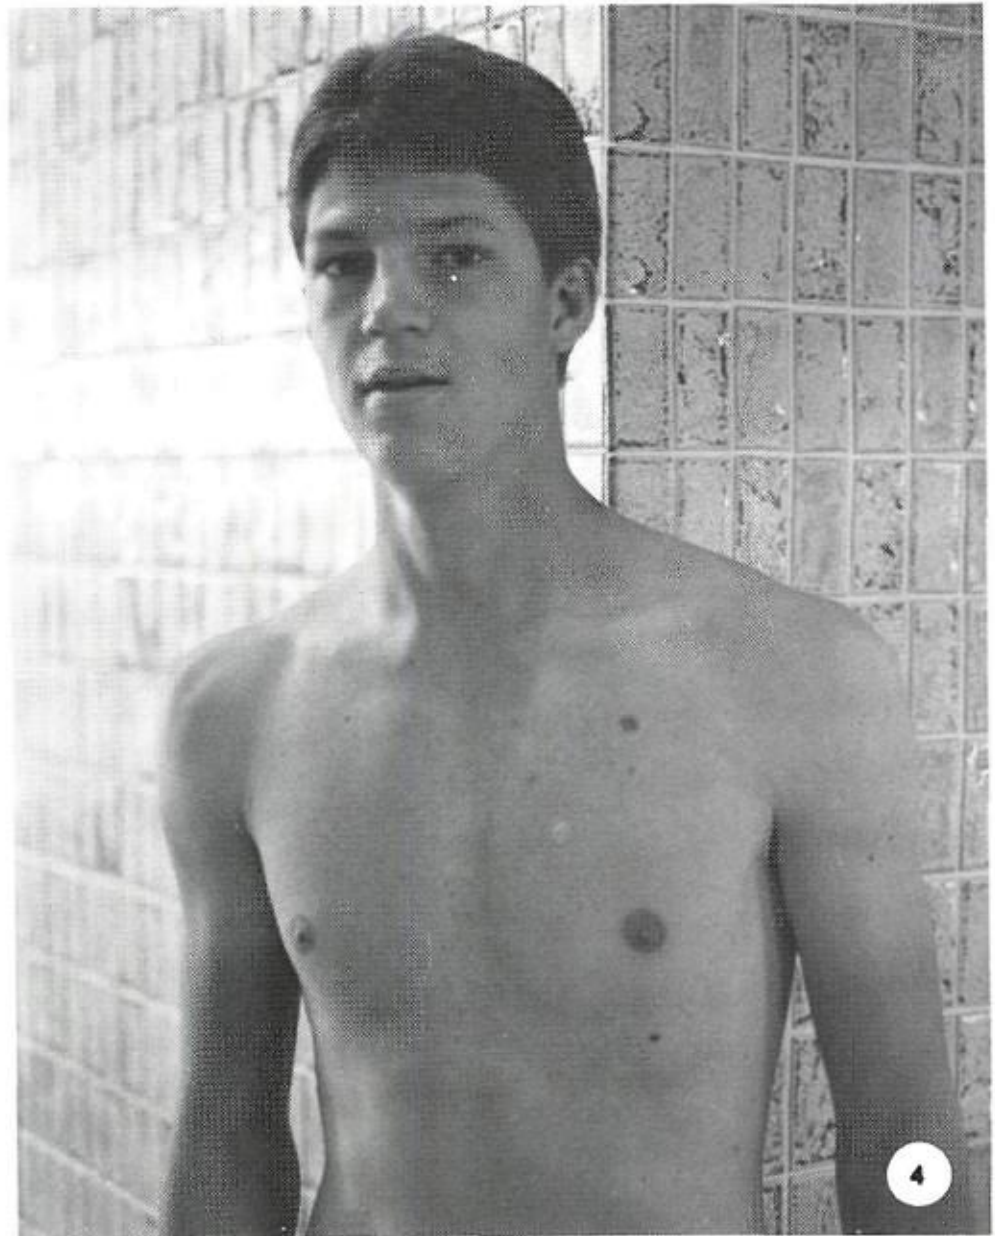

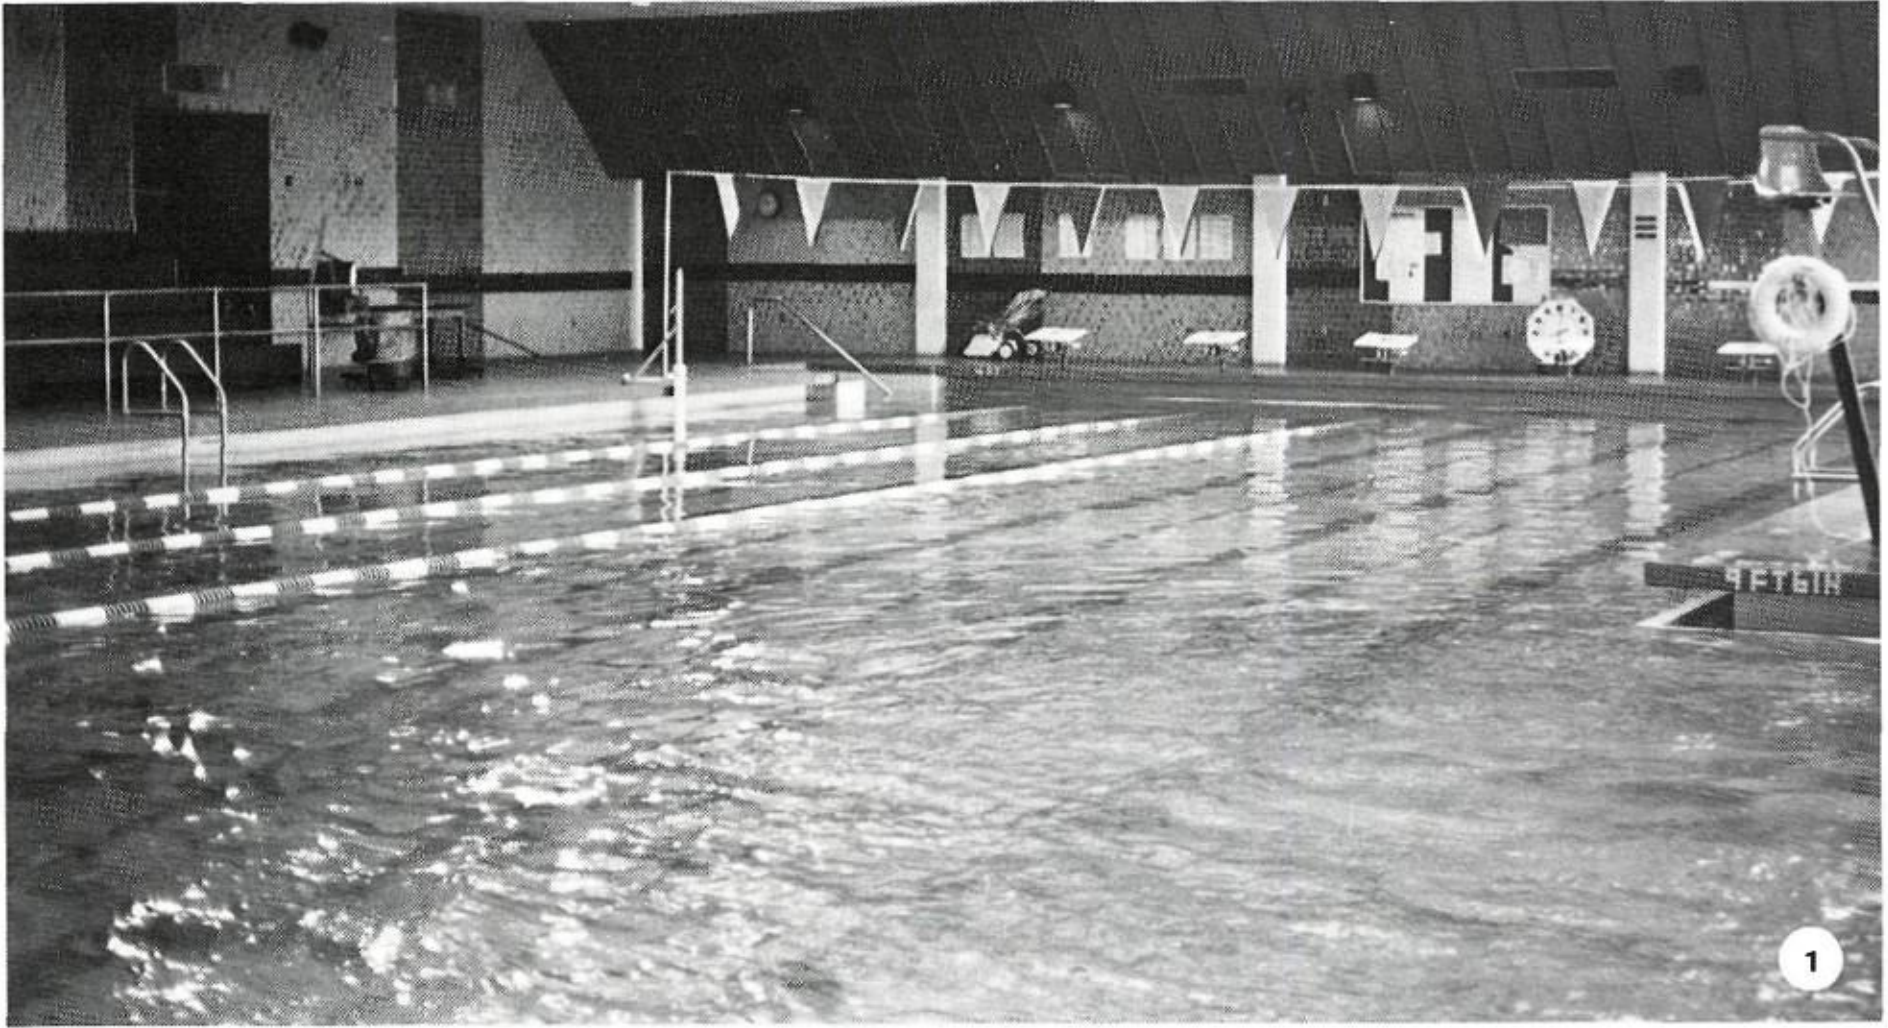

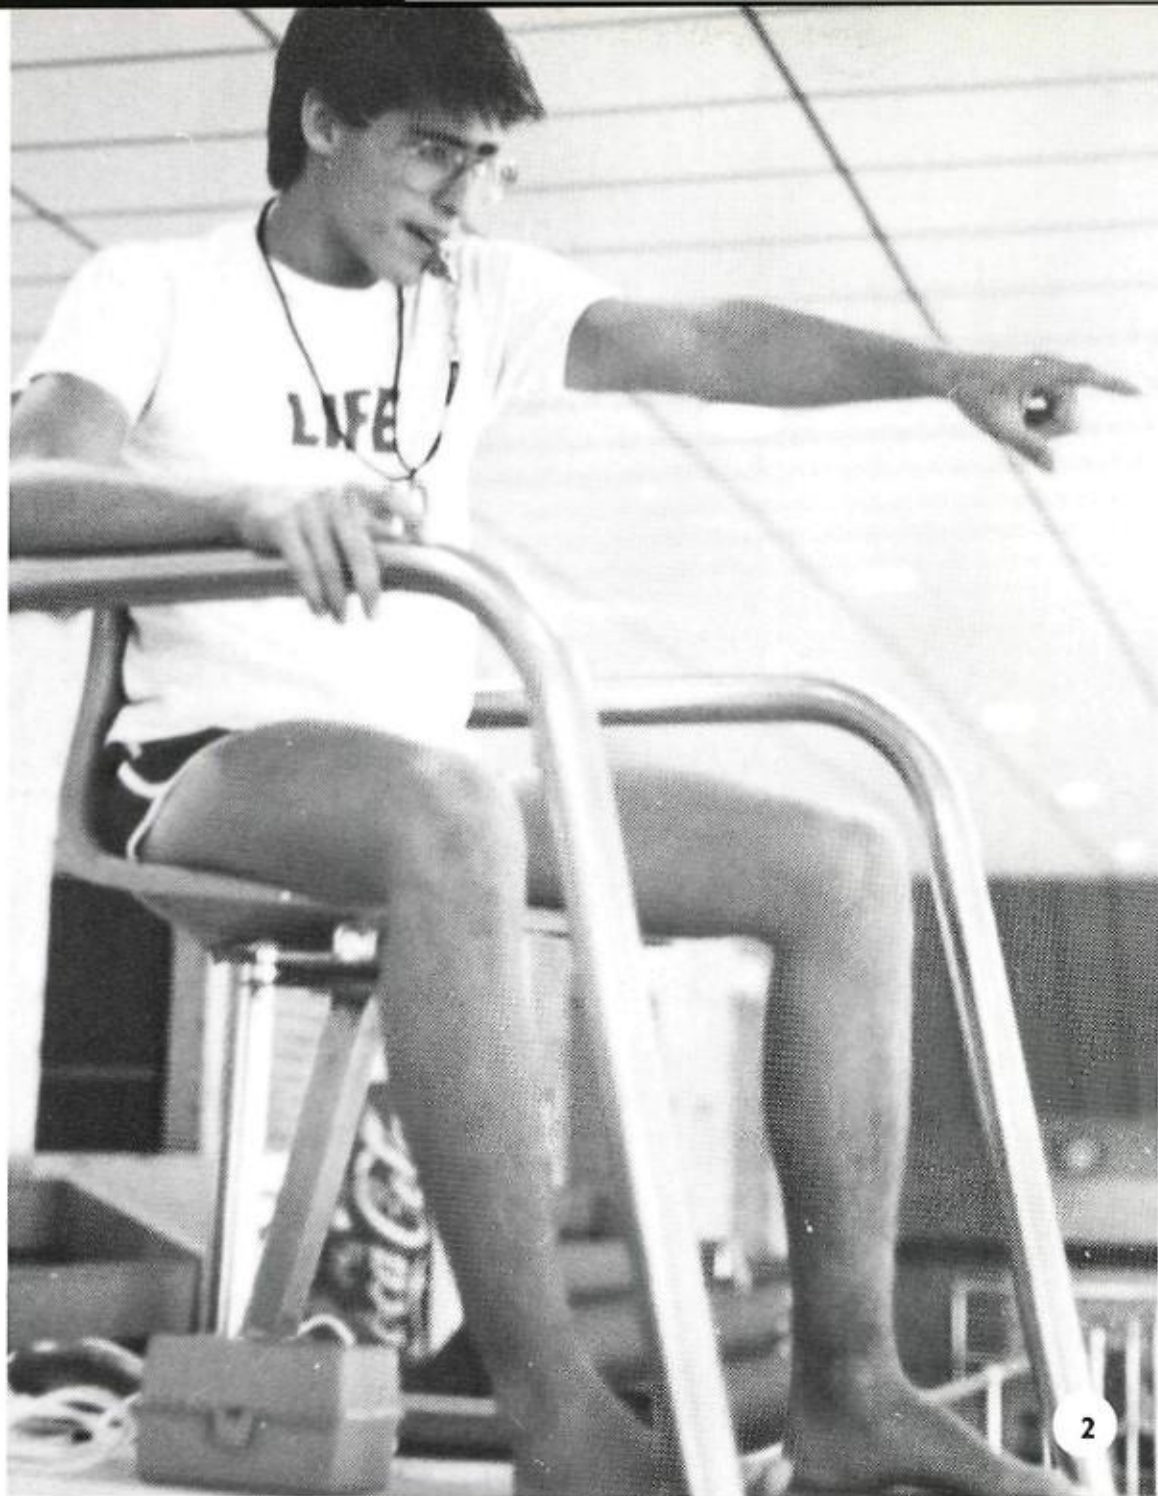

(1) 5th period Pow Wow staff: Doug Brazeal, Dee Clark, Kelly Edens, Elisa Hernandez, Vanessa Hook, Robin Janway, Kelly Lowe, Tammy Lowe, James Meredith, Amy Miles, Brian Moss, Danella Munson, Traci McFadden, Kelley Neill, Carmelle Prater, Kevin Ruiz, Billie Smart, Carolyn Taylor, Rudy Vallejo, Tina Walterscheid (2) Sales Editors Kelly Edens and Kelley Neill clip out ads for the newspaper. (3) Brian Moss, Boys' Sports Editor and Robin Janway, Girls' Sports Editor lay out sport pages. (4) Elisa Hernandez types final copy for the upcoming editorial. (5) Pow Wow says it all. (6) Brian enjoys himself in the new revolving dark room door. (7) Pow Wow Advisor, Mr. Grimes, checks out Billie Smart's feature story. New Wave Swimming

Every student enrolled in physical education is required to successfully complete three weeks of swimming. Other offerings include public swimming, swimming lessons for all ages, and life saving and water instruction courses. Swimming is a word the CHS Natatorium takes seriously.

Student Services

Secretaries, teachers, and administrators are daily confronted by a group of hard-working, dedicated students who under the direction of Mrs. Higgins, move with precision around the offices and classrooms of C.H.S. These students are deployed in areas ranging from the main office to the various teaching departments and perform tasks that encompass answering the telephone and picking up absentee packets to typing and filing.

Future Farmers Of America

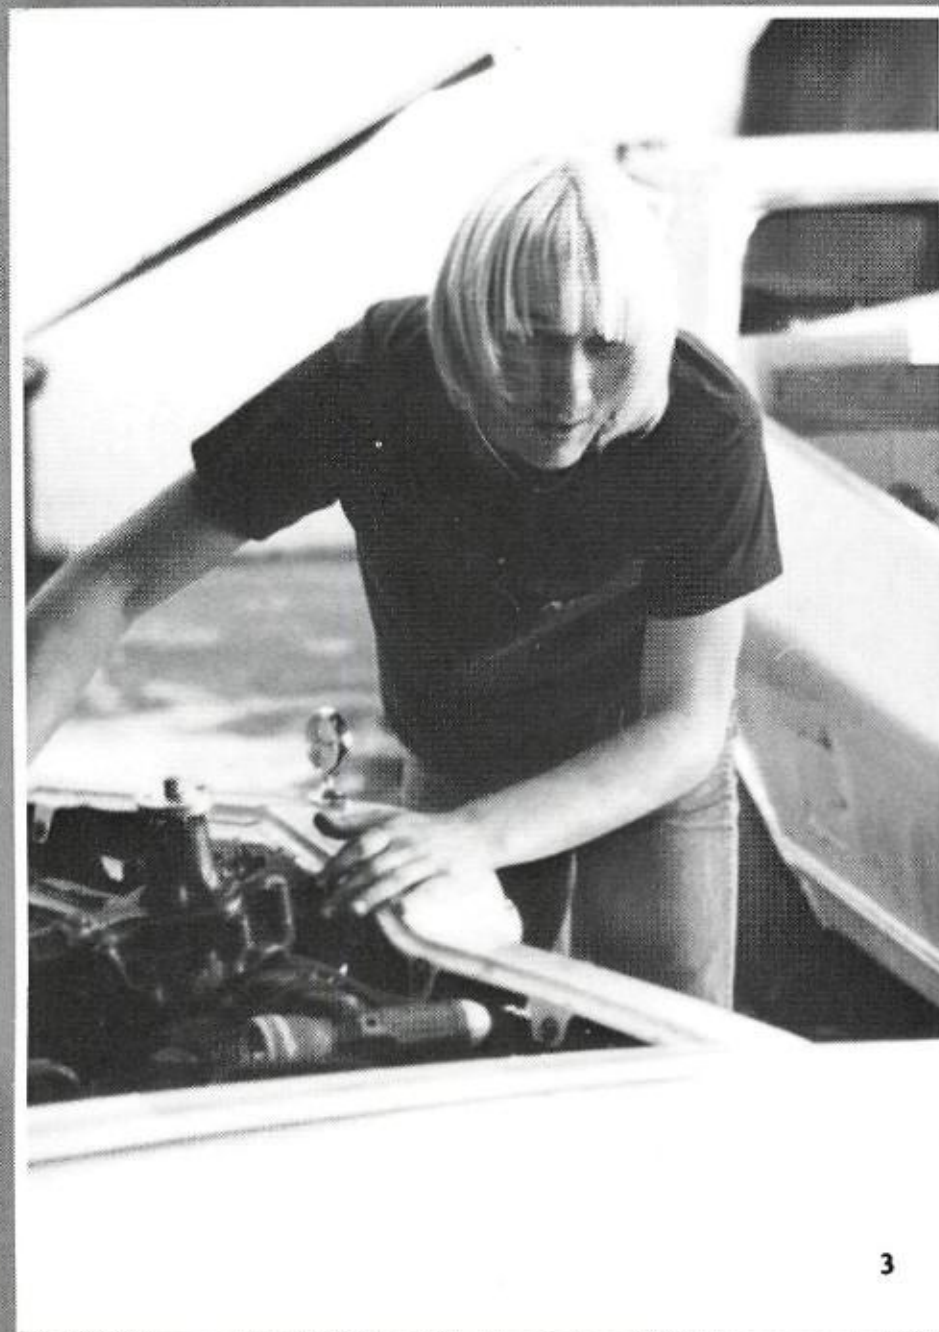

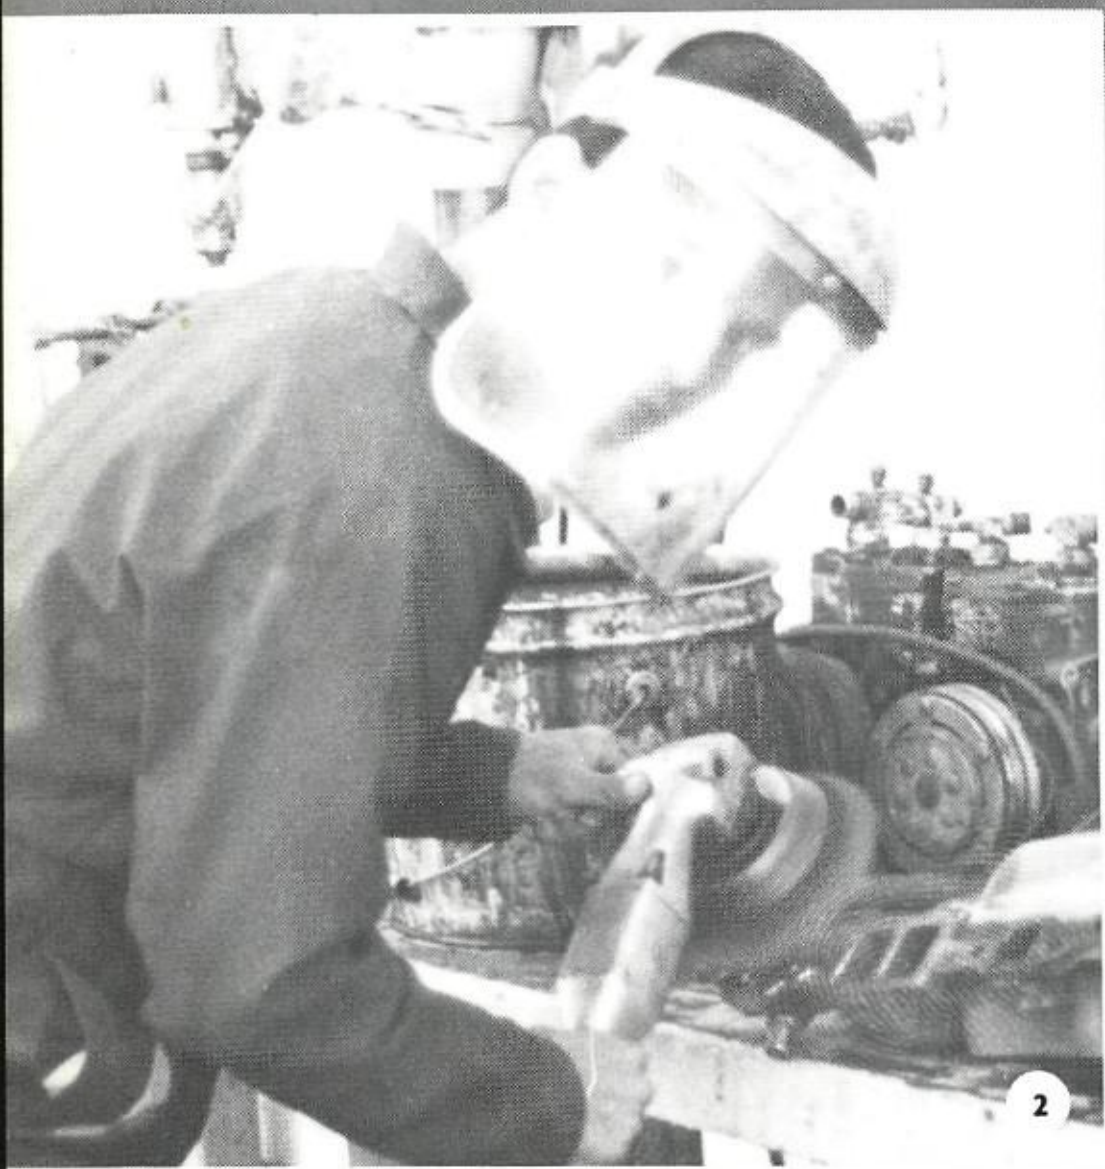

*Future
Farmers
Of
America*

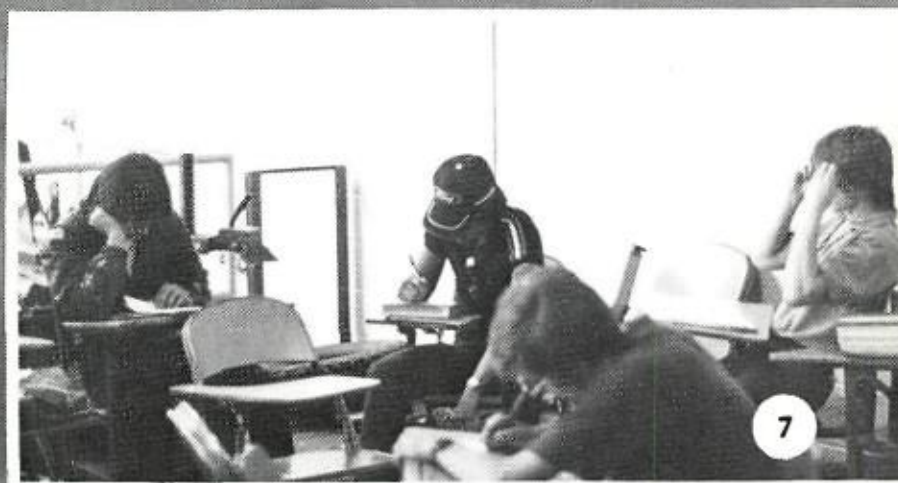

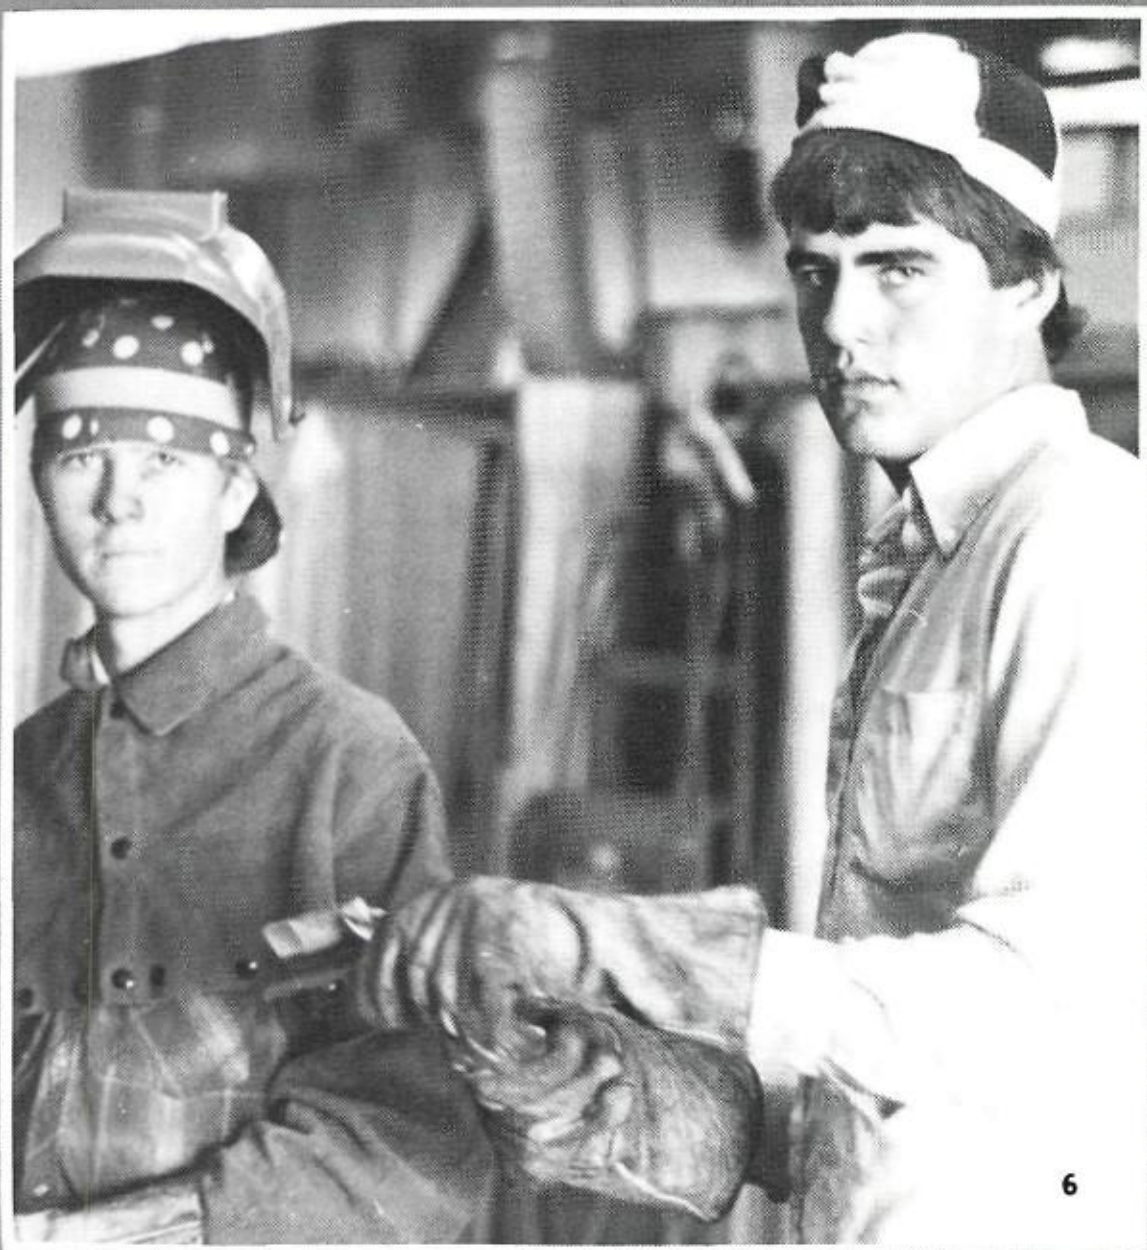

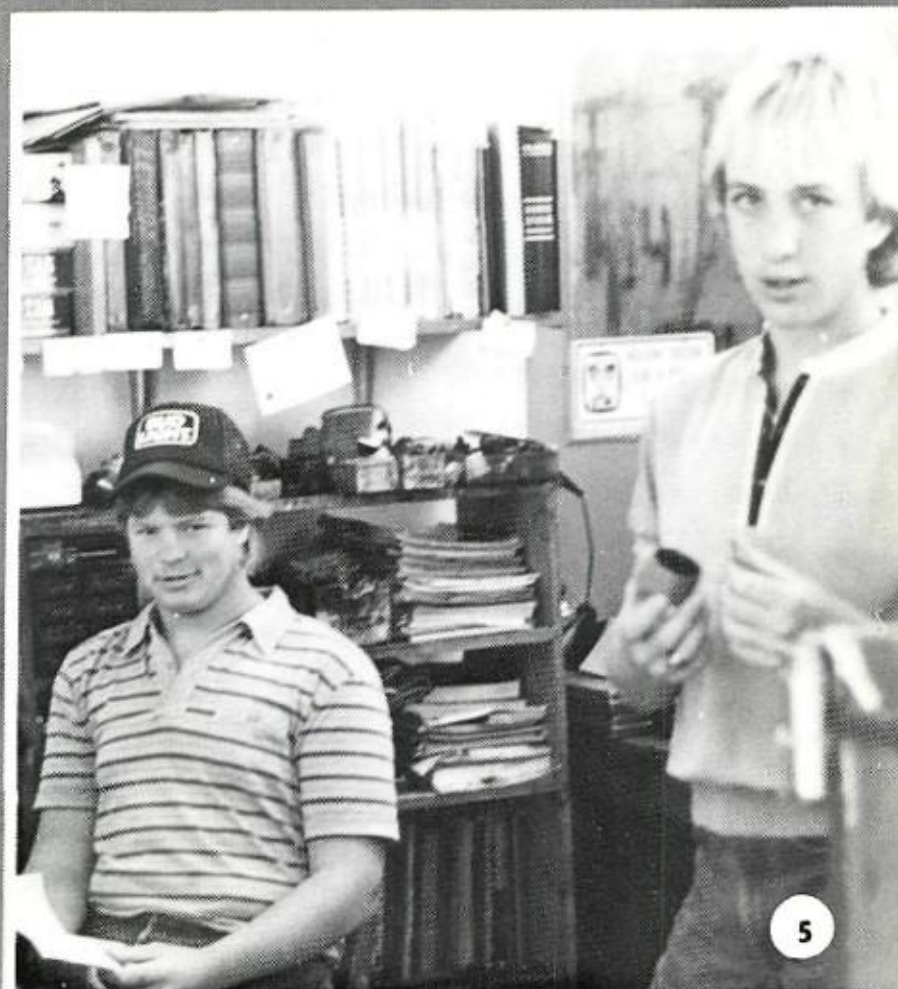

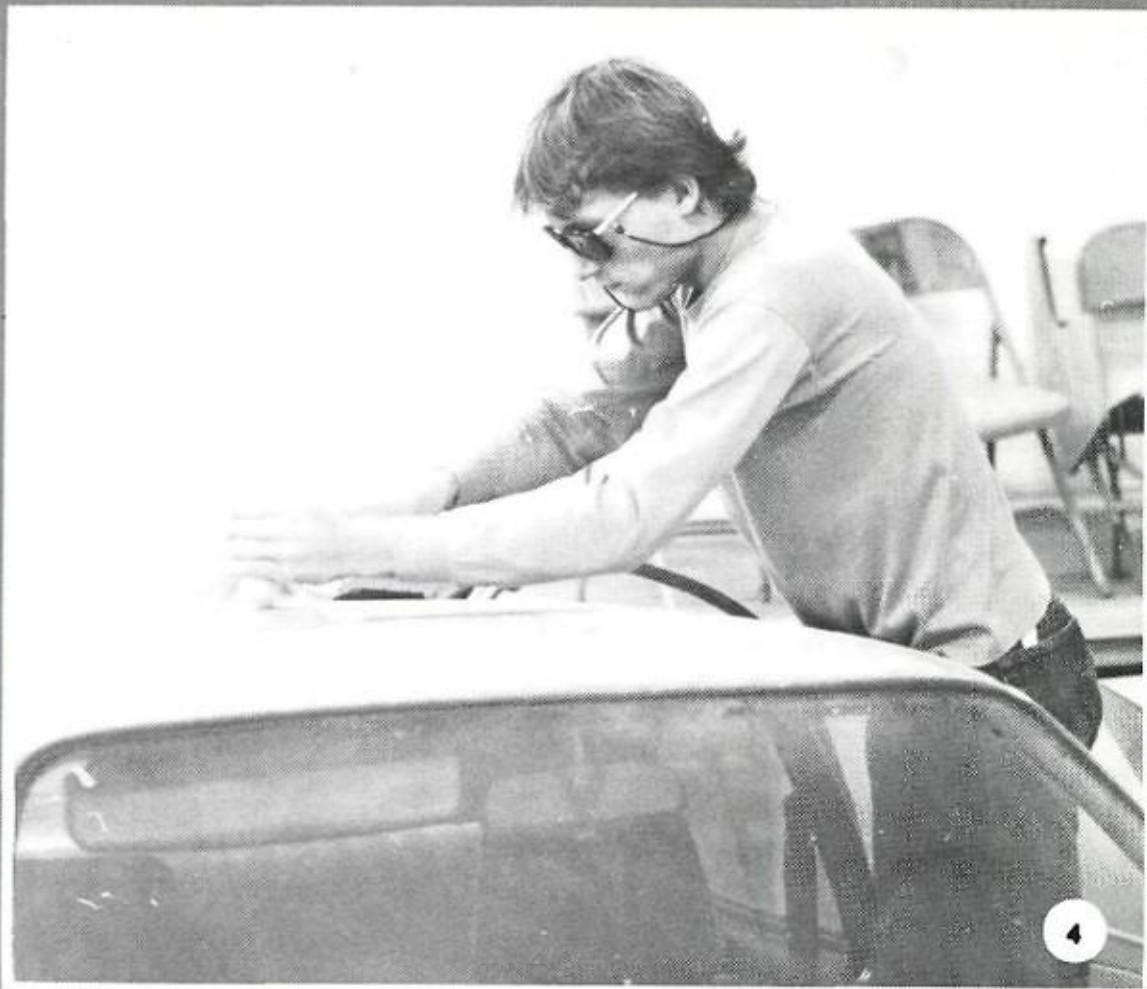

Future Farmers of America, under the leadership of Joel Edwards, was re-building their program at Carlsbad High School.

FFA Chapter officers are Amy Jo Means, Sentinel; Todd Suter, Treasurer; Danette McGuire, President; Toby Reid, Reporter; Vicki Gentry, Vice-President; Dina Jones, Secretary; Joel Edwards, Chapter Advisor. (2) FAA groups at their meeting for a hurried yearbook shot. Joel Edwards, Advisor, Dina Jones, Kelly Christensen, Sandy Ballard, Dolly Mullins, A.J. Hughes, Paul Kilgore, Obed Fuentez, John Roberson, Deana Shull, Lisa Edwards, Juanita Mullins, Jodie Cox, Alan Johnson, Amy Means, Toby Reid, Danette McGuire, Kelly Reid, Beau Johnston, and Casey Cass.

Planning For The Future

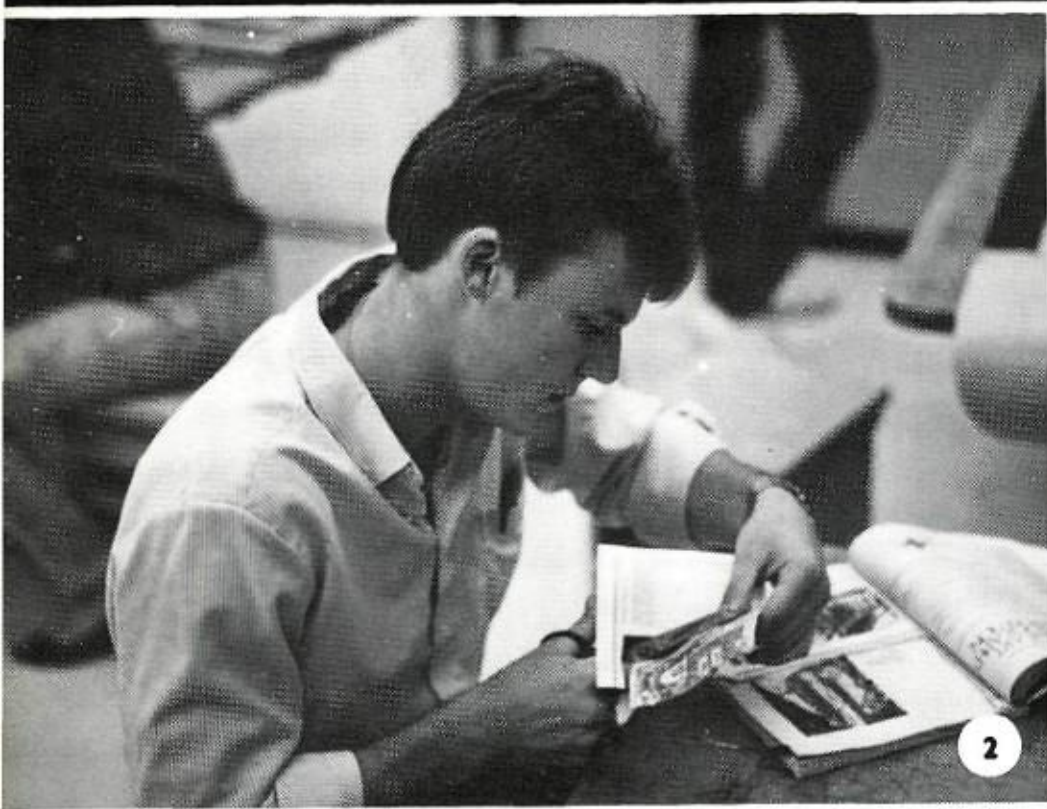

Classes such as Woods, Welding, Auto Body, and Auto Mechanics provided excellent training for students looking more at a vocational job. These courses offered students on the spot jobs to develop basic skills. Many students go into these fields after they graduate and become successful.

1) Welders are hot! 2) Working in Auto Body. 3) Brian Callison fixes cars in Auto Mechanics. 4) What did you say you had in your mouth? 5) You're working hard. I'm sure of it. 6) Toby Reid and Marc Kincaid are true welders. 7) Auto Mechanics isn't just cars, but books too.

My Art

Belongs To CHS

Some said art is an easy class with little demand from the student. If this were true, CHS could never have produced some of the finest artwork in the state. The Environmental Design class, consisting of only seniors, was also credited for their tremendous effort in creating unusual and exciting prom themes. They also provided posters for school activities and decorations for school dances.

Weird Science

The study of motions and their laws, chemical makeup of certain bodies, organisms and . . . dance? Well, these were a few classes that drew an interest toward learning. A lot of the sciences were hands-on experiences which gave the students a new approach to the field while the Modern Dance class had a feet on experience, feet on the floor, that is. The science of bodies in motion applies to the sciences as well as dance.

Waltzing Through Wonderland

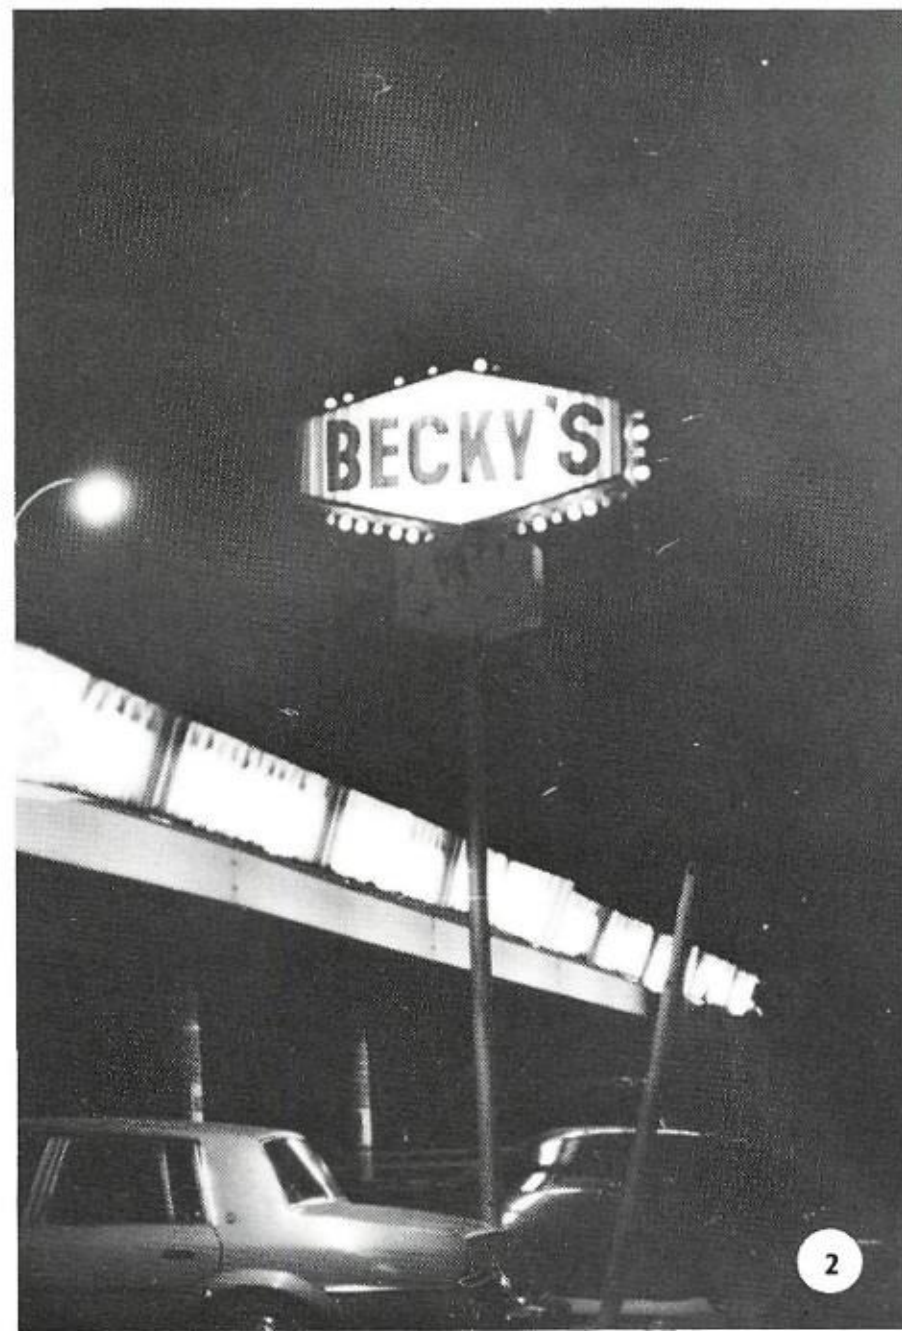

This year's prom was carried out in a grand manner by Mrs. Mattson's fourth period Environmental Design Class. The theme, "Alice In Wonderland," created memories that would last a lifetime. The elegant design and hard work put into the prom turned an ordinary high school into a true wonderland.

(1) Art Urquidez, Kristin Neill and Marsha Valenzuela construct the flowers for prom. (2) Art applies papier mache to a wonderland creature.

Hangin'

Remember Friday nights after the games when everyone got together at Taco Bell? Remember cruizin' and stoppin' to grab a cold one from Sir Burger? Remember seeing movies at the theater? Remember listening to radio stations at top volume? Sophomores remember. We were there in 1985-86.

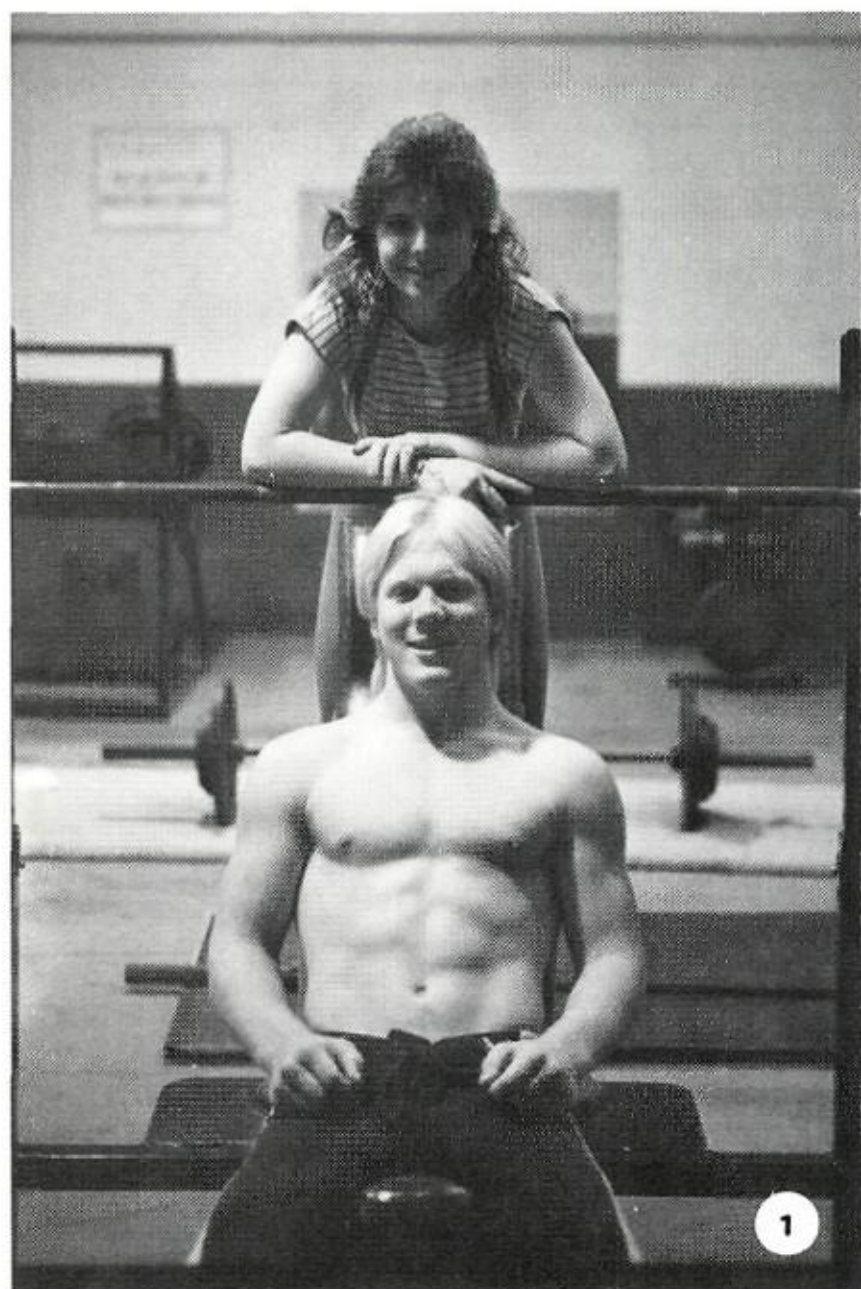

Around

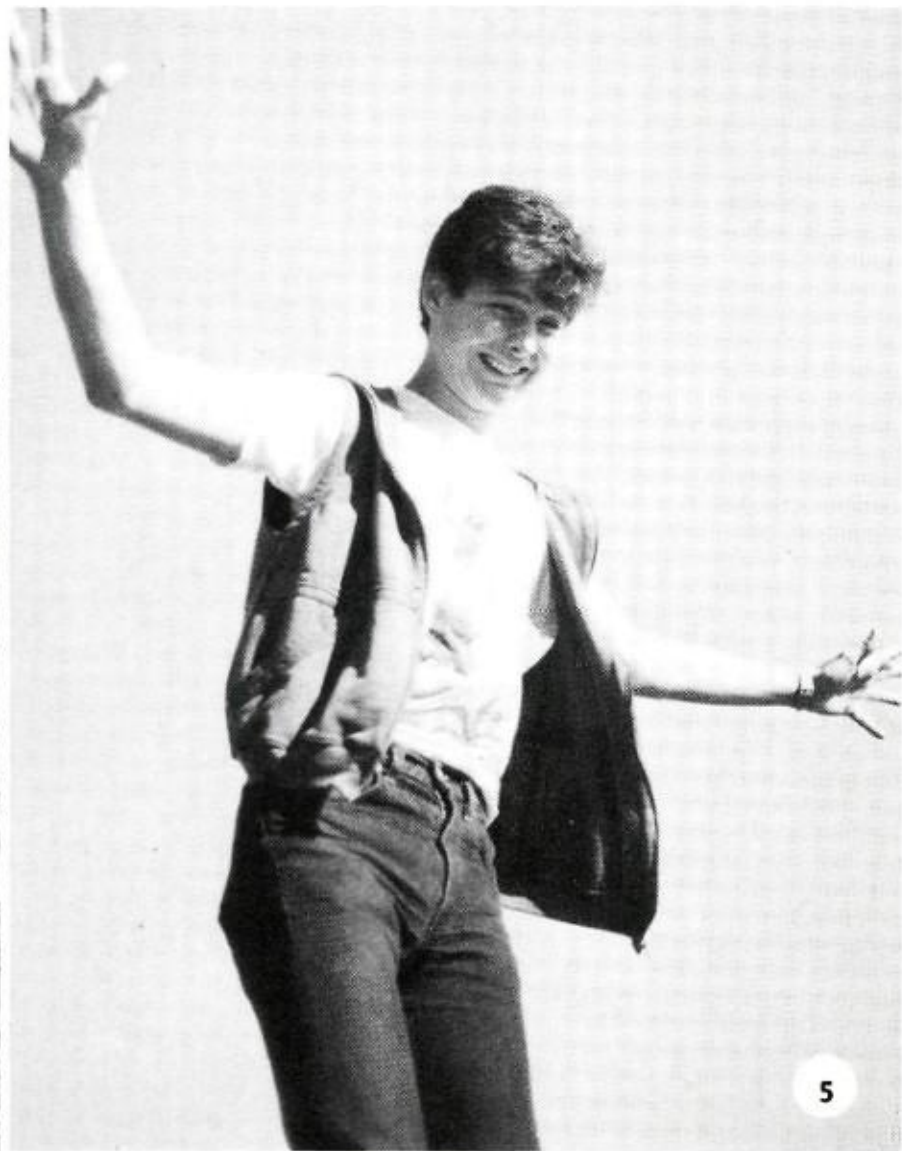

1) They've got the coldest in town. 2) Becky's lights up the night. 3) Yucca Twin is one of the popular theaters. 4) May I take your order? 5) This bell isn't cracked. 6) Remember these great movies?

High Class Sophomores With High Class Fashions

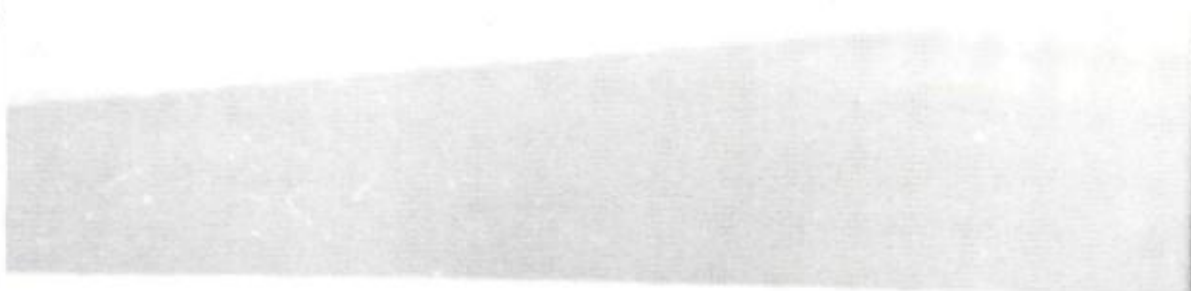

It's said that fashion makes a statement. If this is true, then sophomores definitely speak out. Stirrup pants, oversized shirts and sweaters for girls, and oxfords, polos and 501's for guys were making the grade this school year. With bright and bold plaids and prints, sophomores showed CHS that they've got what it takes!

(1) Plaid skirts with matching sweaters and shirts. (2) Dara Martin and Jerry Birdwell show off what is "in". (3) Kim and Loria Baeza model the latest. (4) Oxford shirts for guys are waiting to be bought. (5) 501 jeans had many students with the "501 Blues".

Let's Go Crazy

They finally did it. The school system has driven our graduating class over the edge. Not saying that a few seniors didn't have a screw or two loose to begin with, but now they have gone bonkers with anticipation towards graduation. The yearbook staff heaved a sigh of relief as the year came to a close and they had their biography published in the Guinness Book of World Records for being the world's best in disorganization. Their motto was; "We're not as stupid as you think we are."

 Carlsbad High School
 Carlsbad, New Mexico*

On January 28, 1986 11:39 a.m., the spirit of Americans and their dreams of the future were temporarily halted as they gazed in shock at the explosion of the space shuttle, CHALLENGER, which killed seven astronauts. Flags were flown at half-mast for weeks commemorating the nation's personal loss.

Close to home, CHS suffered the loss of two seniors, Michelle Vasquez and Julius Barnett, in tragic accidents the previous summer.

This annual represents our year in review. There was much to reflect on. Take time now to consider the good things around you. The happy times we shared here will be remembered in the pages of the Echo.

From us and the rest of the staff, all the best.

I do my thing,
 And you do your thing.
 I am not in this world
 To live up to your
 Expectations
 And you are not in this world
 To live up to mine.
 You are you and I am I,
 And if by chance we
 Find each other,
 It's Beautiful.

....

Everyone! Junior Bound! Next Year! Light On!

Memories light the corners of our minds. The movies we saw on the big screen, the top news items that affected our lives, and the cars we drove are among our favorite memories. The top songs we listened to included: We Built This City- Starship; Separate Lives- Phil Collins, Marilyn Martin; Broken Wings- Mr. Mister; Lay Your Hands- Thompson Twins; You Belong To The City- Glenn Fry; Head Over Heels- Tears For Fears; Miami Vice Theme- Jan Hammer; Riding On The Freeway Of Love- Aretha Franklin; St. Elmo's Fire (Man In Motion)- John Parr. It's the friends who remained close at hand, the laughter, the tears, the victories, and the defeats that we will remember when we remember the way we were.

Mark,
 We've had a
 lot of fun in
 typing. You
 are a super cool
 person. Have
 a great summer
 love
 Roxann
 Tucker

Mark
I'm glad I was in the same class as you I had fun this year I had to see you next year. I hope you did too. I hope you have a great summer
Love always,
Bitchy
Johnny

Mark I'm glad I got this year. You are a real personality and a lot of great potential. Good luck in everything you do in the future. God Bless you!
Have a great summer!
Your friend,
Brenda Kenagy

Mark,
a sweet guy!
Good luck with
the future! Stay
cool! Love
Maurya
Fighter

Mark,
You are a really sweet guy I got to know this year. I'm glad I got to meet you. Sorry we didn't get to know each other better. You, Brian helped brighten my day. Thanks! Good luck in all you do. Take care!
Love,
Jennifer

Mark,
To a real sweet guy I know pretty good. I hope you have a blast over the summer. I will. It was fun having you for 5th & 2nd. Good luck in all you do!
Take care!
Love
Always
8/10/75

Love
Always
8/10/75
Smile friend,
To him -
Maurya

To Mark
a dude who
knows a longtime
stay cool
you're a good
friend (Not Kelly)
Have a good
and fun
summer.
Donato

Mark,
 Well I Guess We Made It
 Through This Year, Yeh! It Was
 Fun Being In Band With You.
 Too Bad I Won't Be Here
 Next Year But Everytime You
 See A Flag Girl Pass By
 Think Of Me, Okay? I'm
 gonna Miss You ^{mill} Every day
 Before 5th But You Finally
 Got My Picture So Take
 Look At It Once In A While
